STRIKERS DEFER MARCH ON WEIRTON FARE REFERENDUM AND FIREMEN PETITIONS O.K.

TWO ISSUES TO GET PLACE ON BALLOT, STATE OFFICIAL SAYS

Opinion Dispels Doubt as to
Legality of Filing of
Petitions.

HILBERT IS GIVEN REPORT

Initiative Issue In East Liver-
pool; Referendum In
Wellsville.

All questions as to the legality of the method of filing the initiative petition seeking the establishment of a two-platoon system for East Liverpool firemen and the referendum instituted by the Wellsville Trades and Labor Council on the proposed zone fare collection system on the East Liverpool-Wellsville line of the Steubenville, East Liverpool and Beaver Valley Traction company was dispelled Monday, following receipt by J. S. Hilbert, chief deputy of the Columbiana county board of elections, of an opinion from Harvey C. Smith, Columbus, secretary of state.

In his letter replying to an inquiry from Mr. Hilbert, Secretary Smith stated that "if Section 4227-1 General Code, has been complied with, the ordinance can be legally be submitted at the regular election November 4, 1919.

Recent changes in the Ohio election laws governing the period of time in which such petitions must be filed with election board officials raised a question in the minds of Deputy Hilbert whether the measure could legally be submitted, at the November election. Through Prosecutor W. W. Beck at Lisbon, Mr. Hilbert filed an inquiry with Secretary of State Smith, who has final authority over such procedure, asking whether the sponsors of the measure had complied with the law.

Mr. Hilbert, in presenting the matter to the secretary of state, based his opinion upon the law providing that all petitions shall be filed at least 60 days before the election to be legal. This length of time was fixed, Mr. Hilbert explained, for the reason that the election board must have ballots prepared 30 days before the election for the absent voters.

"Section 4227-1 of the General Code," Mr. Hilbert said, "provides that the board shall submit this question."

NAME JUDGE IN EMPIRE CASE

Wooster Jurist Will Preside
at Brumfiel-Feustal
Trial.

Judge James S. Thomas, of Wooster will hear the cases of Herman B. Feustal and King M. Brumfiel, this city, former executives of the now defunct Empire Investment company scheduled to come up Monday, October 6, in Columbiana County Common Pleas court, it was officially announced on Monday.

Judge Thomas was assigned to this county by Ohio Supreme Justice J. C. Nichols in Columbus at the request of Common Pleas Judge James G. Moore. The aid of an outside judge was deemed necessary by Judge Moore to expedite the clearing of the September term court docket, it was explained.

Feustal and Brumfiel, secretary-treasurer and former bookkeeper, respectively, of the bankrupt brokerage concern, will be arraigned jointly on three embezzlement charges in connection with the sudden collapse of the concern. Six individual indictments returned against Feustal will be heard on October 6th. The hearing will take place in Court Room, No. 2, in Lisbon.

TWO PLANES CARRYING PASSENGERS MISSING

PARIS, Sept. 29.—Two of three hydroplanes which left England for France with strike-bound passengers have not been heard from, according to a report from Havre early this afternoon.

MANY BRITISH PLANTS HIT BY RAIL STRIKE

With 1,000,000 Workers
Idle, Full Effects of Tie-
up Is Felt.

MANY PLANTS ARE CLOSED

Efforts at Settlement Fail;
Premier and Colleagues
Confer.

WASHINGTON, Sept. 29.—The effect of the great English railway strike has reached the United States. To avoid congestion in British ports, all sailings of United States shipping board vessels for English ports were suspended and all these ships ordered held in port by an order issued this afternoon by W. C. Taylor, assistant director of the division of operations of the shipping board.

By EARLE C. REEVES.

LONDON, Sept. 29.—The industrial paralysis created by the great railway strike, spread today, many additional plants being compelled to close because of lack of fuel.

With 1,000,000 workers idle as a result of the unprecedented labor tieup the full effect of the strike was felt today, and the real test is expected during the next 48 hours.

"I always feared and I fear today that an attempt may be made to turn this from a railway strike into a revolution," declared J. H. Thomas, executive secretary of the National Union of Railway Men. "It is possible that this will be the result."

The reserve fuel supply is dwindling rapidly and London and the other big cities in England, Scotland and Wales face a grave menace with cold weather coming on. Additional collieries in Wales and North England are closing.

All efforts at a settlement have failed so far but Premier Lloyd George is conferring continually with his colleagues in hopes of finding an avenue that will clear the turbulent labor atmosphere.

So far as food, fuel and lighting is concerned, London is getting back on a war-time basis. Food will be rationed and the city was almost in darkness last night.

A feature of the strike—so far reaching in its effects—has been the absence of any disorder. It was not until today that the inconvenience to the traveling public was felt in the full effect, as Saturday was a half holiday and Sunday a full holiday.

MYSTERIOUS MURDER IN YOUNGSTOWN

YOUNGSTOWN, Sept. 29.—For the second time in the past month a woman has been the victim of a mysterious murder here.

The body of a woman apparently 50 years of age was found today in a vacant lot a few feet from Elm street on which are located many of the fashionable homes of the city.

Robbery is believed to have been the motive. A coupling pin found nearby is thought to have been the weapon employed.

The woman was identified as Mrs. Kate McLaughlin this afternoon.

CANTON MAN DIES FROM WOUND IN TEMPLE

CANTON, Sept. 29.—Walter D. Roath, aged 82, died in the Alliance city hospital this morning. Following three embezzlement charges in connection with the sudden collapse of the concern. Six individual indictments returned against Feustal will be heard on October 6th. The hearing will take place in Court Room, No. 2, in Lisbon.

STEEL STRIKE OFFICIALS TALK OF SUIT TO "REVEAL POSITION" OF OFFICIALS

John J. Fitzpatrick, at left, and William B. Rubin.

Following their appearance before the senate labor committee investigating the strike Chairman John H. Fitzpatrick of the steel strikers' national committee, and William B. Rubin, counsel for the strikers, stated that plans were being made to bring suit against Judge Gary and Pierpont Morgan of the steel corporation to "reveal their real positions" in the steel body.

SERBS ARE READY TO ACT ON FIUME ISSUE

Italian Chamber of Deputies
Votes That Disputed City
Should Be Granted to Italy.

ROME, Sept. 29.—Serbia has ordered the frontier bordering Dalmatia closed for 15 days, the Trieste correspondent of the Temps reports today.

The rumor that Serbia has begun to move troops is said by the Trieste correspondent to have been confirmed.

The siege of Fiume by the Italians has become more rigorous. It is now learned that the steamer Neve with 150 tons of flour on board consigned to points on the Istria peninsula, carried concealed Italian soldiers who compelled the captain to change his route and to put into Fiume. The soldiers were members of the famous Arditi, many of whom are with Captain Gabriele D'Annunzio.

LONDON, Sept. 29.—An exchange Telegraph dispatch from Rome today stated that the Italian chamber of deputies voted that Fiume should be granted to Italy at the same time that a vote of confidence was given to Premier Nitti's government.

The session of the Italian chamber was one of the stormiest in years. The sitting was suspended at one time for half an hour. When it reconvened a resolution confirming the Italian nationality of Fiume and expressing confidence in the efforts of the government was adopted.

During the debate Premier Nitti offered to resign and let the opposition offer a better solution for the Fiume trouble.

Deputies Raimondo and Modigliana came to blows during the debate, but were separated by friends.

WASHINGTON, Sept. 29.—An investigation of the landing of American naval forces on the Dalmatian coast was asked by a resolution introduced in the senate this afternoon by Senator New of Indiana.

The resolution declares that the press reports show that the orders for the landing were given by the British admiralty and asks the state department for full information.

STEEL STRIKE HALTS COUNTY ROAD WORK

Although Columbiana county's steel works are operating in full, the nation wide tieup of the steel industry has made itself felt in this county.

Road improvement work along the Cox highway north of Salem has been halted owing to the scarcity of slag, a by-product of the steel mills, used for road foundation.

Roads between Salem and Damascus and other north-county projects will remain unfinished throughout the winter since slag shipments have been cut off, it was stated Monday. Work on Salem's city streets has also been halted.

TWO RAILROAD MEN KILLED IN WRECK

NEW YORK, Sept. 29.—A conductor and an engineer were killed and several injured when a freight train ran into the rear end of a train made up of two engines and cabooses of the Central New England railroad at Holmes, N. Y., at 10:35 this morning. It was announced at the offices of the road here.

SEEK TO REDUCE RATES ON BRICK

Permission to decrease freight rates on brick and related articles in carload lots from Greenford, O., to Columbiana, Leontonia, Lisbon and Washingtonville is being sought by the Erie railroad. A hearing on the proposed change in schedule has been set for Oct. 6.

Present rates on brick are seven cents per hundred to Leontonia and Washingtonville, 7.5 cents to Lisbon, 8 cents to Columbiana. Proposed rates are 4.5 cents to Leontonia and Washingtonville, 5 to Lisbon and 6.5 to Columbiana.

OMAHA MAYOR MOB VICTIM; SIX ARE DEAD, BIG FIRE LOSS

Courthouse Destroyed After
Negro Prisoner Is
Lynched.

INVESTIGATE RIOTING

Night of Lawless Terror;
Federal Troops On
Guard.

OMAHA, Neb., Sept. 29.—Seven hundred soldiers were on guard here today following the reign of terror during which two persons are known to have been killed, the new \$1,000,000 courthouse was wrecked by fire and two attempts were made to lynch Mayor E. P. Smith.

Attending physicians said today they believed the mayor was out of danger, although he was very weak and suffering from nervous shock. A relapse early in the morning had led to the rumor that he was dead.

County officials are taking steps for a drastic grand jury investigation of the fatal disorders which began when a mob of five thousand stormed the jail to lynch a negro prisoner, William Brown.

While Mayor Smith was making an unsuccessful effort to save Brown's life he was seized by the infuriated mob. After being dragged through the streets a rope was attached to his neck and thrown over the support of a trolley pole. Twice Smith was dragged from the ground with the blood running from his nose and mouth before the police rescued him.

An incendiary bomb was thrown into the courthouse and the structure set afire. Upwards of \$250,000 damage has been done and many valuable records destroyed before the firemen got the fire under control.

Stern measures are being taken to prevent looting and prevent a recurrence of the disorders.

One soldier was shot and killed and four other members of the mob are said to have lost their lives. This, with the hanging of Brown, the negro, makes a death toll of six, according to reports this morning.

The mob first began forming about 2 o'clock Sunday afternoon and gradually increased in numbers until about 6 o'clock when a shower of stones was hurled at the courthouse. The police turned a hose upon the crowd, but it was promptly cut to pieces and the water cut off from the building.

A fire bomb was hurled by some one in the mob and a blaze immediately started. Soon the inside of the courthouse was a seething mass of flames. The fire department was called out, but was almost powerless.

TROOPS, MOBILIZED, AWAIT ORDERS; MAY SHUT DOWN PLANTS

Twelve Infantry and Three Auxiliary Companies of Ohio National Guard are Ready for Action In Event of Trouble in Steel Strike--Labor Leaders Act.

BULLETIN

The mills of the Weirton Steel company, against which Steubenville strikers had threatened to march, were practically closed down Monday. Twenty-six tin mills failed to resume operations but the steel mill proper, employing 500 men, was still running. About 3,500 men are out.

Eighteen West Virginia state police under Captain John Eskue of Huntington, W. Va., were in Wheeling Monday, enroute to Weirton, to assist in coping with any situation that may arise.

STEUBENVILLE, O., Sept. 29.—The threatened march of several thousand Steubenville steel strikers into Weirton, W. Va., scheduled for today, will not take place. Plans for the march have been called off by its leaders.

Thomas J. Donnelly, secretary-treasurer of the Ohio State Federation, has delivered a message to the strikers from Governor Cox urging the abandonment of the proposed march and warning them that serious consequences would follow if it was attempted.

Frank Wilson, secretary of the strikers, announced that it would not take place. He said that he had received assurance that the steel mills at Weirton, against which the demonstration was planned, would be closed down this week.

Cox is Watching Situation

COLUMBUS, Sept. 29.—Twelve infantry and three auxiliary companies of the Ohio National Guard, under the command of Col. Benson W. Hough, have been mobilized. Whether the movement of these troops is for the purpose of watching the situation at Steubenville and Mingo Junction or whether they are mobilized for other purposes, has not been given out from the governor's office today.

Following the telegram of Governor Cox to Governor Cornell, of West Virginia, that he "would watch the situation," it is taken in guard circles to be but a precautionary measure in case the threatened march of strikers from the Steubenville district takes place to Weirton, W. Va., today.

Call Marion and Akron Men

Reports received early today are to the effect that the proposed march of steel strikers to Weirton is off and that all plants will be closed there today.

The guards are being mobilized at their armories and no movements from these bases has been ordered as yet. It may be that demobilization will be ordered today after the exact status at Steubenville becomes known and on the other hand the guard may be held in readiness for other emergencies. From other parts of the state early today the situation is reported quiet.

AKRON, Sept. 29.—The two Akron companies of the National Guard, headquarters company, captained by Sam Cole, and Company B, captained by Daniel Webster, have assembled at the armory here and are awaiting word from Governor Cox to move to the Steubenville district. At 7:30 this morning no word had been received regarding any movement of troops.

DUFFY SENT TO STEUBENVILLE

COLUMBUS, Sept. 29.—That the mobilization today of a regiment of Ohio National guardsmen is a precautionary measure, was the announcement made by Governor Cox.

The governor also made it plain that these troops will be used in the event of any attempt to violate the sovereignty of Ohio where there are striking steel workers. The governor said it is his opinion the leaders who

have been talking of marching over into West Virginia to compel men at Weirton to quit their jobs, are mostly foreigners and untrustworthy.

The governor also wired Mayor Frank W. Feist, of Steubenville calling upon him to use every means to protect life and property, should any mob formation be attempted.

BETHLEHEM CO. MILLS OPERATE

BETHLEHEM, Pa., Sept. 29.—All the departments of the Bethlehem Steel Company's plants here resumed operations this morning despite the strike order issued from strike headquarters in Pittsburgh. Some of the plants were crippled, officials admitted, but sufficient employees here showed up to permit operations.

Definite figures on the number of men who actually struck were difficult to obtain. Labor leaders asserted that the Bethlehem mills were the best organized in the industry and had expected that from 80 to 90 per cent of the employees would comply with the strike order. Whether

When you hear the real Caruso

To hear the real Caruso, the real Galli-Curci, the real Alma Gluck, the real Kreisler—to hear all the greatest artists of the world in your own home just as they want you to hear them, it is as necessary that you should have a Victrola as that you should have their Victrola Records.

The Victrola and Victor Records are scientifically coordinated and synchronized in the processes of manufacture, making it necessary to use them *together* to achieve a perfect result. The greatest singers and instrumentalists are exclusive Victor artists not only because their interpretations are so faithfully recorded on Victrola Records, but because the Victrola is the one instrument that plays them with the degree of perfection and beauty of tone that meets the approval of the artists themselves.

When you play Victrola Records on the Victrola—and only on the Victrola—you really hear these great artists exactly as they themselves heard and approved their own work.

Hear the world's greatest artists on the Victrola today at any Victor dealer's. He will gladly play any music you wish to hear. Victrolas and Victrolas \$12 to \$950.

LITTLE REST FOR PRESIDENT

Executive Got Virtually No Sleep Sunday Night.

WASHINGTON, Sept. 29.—"The president passed a restless night, but is sleeping this morning."

(Signed) "Grayson."

This bulletin was issued by Rear Admiral Cary T. Grayson, the president's personal physician, at 11:10 today.

It is understood that the president got virtually no sleep during the night and Dr. Grayson was with him constantly. It was not until early today that it became possible for the president to sleep, and he was slumbering at the time the bulletin was issued.

Published reports that specialists were to be called were without confirmation at the White House today. In fact there was every indication that the president's condition is not so critical that Dr. Grayson will need any assistance.

REPORTS FROM STOCK MARKET

NEW YORK, Sept. 29.—Stocks were under pressure at the stock market opening today, with losses ranging from one to four points.

Bethlehem Steel B attracted most attention, yielding three points to 102. However, on brisk demand this stock quickly rose to 104. Crucible Steel opened three points higher at 218 and then fell four points. Steel common was one point lower at 105 1/2 and Baldwin Locomotive dropped 2 1/2 to 133 1/2.

General Motors dropped 1 5/8 to 354. Studebaker, after advancing 1 1/4 to 121, declined to 119 3/4. Chandler Motors was strong and sold up six points to 296.

American Can dropped one point to 65 1/2. Mexican Petroleum 1 1/4 to 217 and Marine common two points to 55 1/2.

The railway stocks were quiet. There was further selling during the forenoon. Steel common yielded 1 1/2 to 105; American Can 1 1/2 to 65; Baldwin Locomotive three points to 135; Crucible 5 1/4 to 212 3/4; Bethlehem Steel B, two points to 102 3/4; American Sugar advanced two points to 141 5/8; Cuba Cane one point to 41 7/8 and United States Rubber 3 to 118 3/8.

The steel stocks soared into new high records for the day during the afternoon. Crucible Steel rose 1 1/2 points to 221. Bethlehem Steel B rose 5 5/8 to 108 5/8; Steel common 1 1/8 to 106 and Baldwin Locomotive four points to 136. All American Sugar Refining rose seven points to above 145.

to break through the mob and reach the burning building.

Sheriff Clarke and his deputies, with the flames mounting to the upper floors of the court house, fought a grim battle, but at 11 o'clock when the fire had reached the fourth floor and it appeared that the lives of 100 prisoners in the jail on the fifth floor of the structure were endangered, the sheriff surrendered and gave the negro over to the mob.

Ohio Federation of Labor, sent to Steubenville by Governor Cox, said over the long distance today that he believed all cause for alarm is over.

"I talked to the boys last night and have been assured that they will not attempt a march on West Virginia soil," said Donnelly. "I find that many steel workers from Weirton are coming to Steubenville to join the union."

According to Donnelly, the mills at Weirton are practically closed today. Gov. Cox issued this statement: "The circumstances attendant upon the assembling of state troops are these:

"For several days, an attempt has been made in the city of Steubenville and the adjacent country of Jefferson county, to mobilize 5,000 steel workers, largely foreigners, unaturalized, for the purpose of marching them across the river into West Virginia. While it is not within my province to assume the purpose of the invasion, the formation of a mob made up in considerable part of foreigners on Ohio soil could not be regarded as a circumstance of harmless possibilities.

"The movement receded within the last two or three days, but notwithstanding this, the West Virginia authorities seemed to be in a high state of excitement and apparently their state government was not equipped to meet an emergency."

"Therefore, as a matter of pure precaution, the 4th Ohio, under command of Col. Benson Hough, of the Rainbow division, was assembled Sunday afternoon in company headquarters, and machine guns were brought by truck from Camp Sherman.

"At the same time, T. J. Donnelly, president of the Ohio Federation of Labor, and Thomas J. Duffy, of the state industrial commission, were sent to Steubenville for the purpose of impressing upon the labor leaders there, the importance not only to the public interest, but to that of labor as well, of breaking up any plan to assemble foreign workmen.

"Both Donnelly and Mr. Duffy give me reassuring reports this morning and I am hopeful that the danger has passed."

ion at the next succeeding regular or general election in any year occurring subsequent to forty days after the filing of such initiative petition."

"My reason," Mr. Hilbert continued "for submitting this question to you is that I see by the papers that a number of petitions were filed with the secretary of state last week, and the paper stated that they were filed too late to be voted on this fall and would go over until next year."

While Mr. Hilbert's inquiry was based solely upon the firemen's two-platoon petition, the reply of the secretary of state clears up the existing question relative to the legality of the filing of the referendum against the increased traction fare ordinance enacted by the Wellsville city council.

Inasmuch as the similar ordinance passed by the East Liverpool city council becomes operative simultaneously with the Wellsville measure, the new fare on the East Liverpool Wellsville line will be delayed until after the election.

\$2,250 in Liquor Fines.

Cardiff—Fines amounting to \$2,250 were imposed for selling liquor at more than the controlled price at the Royal Agricultural Show. The defense was that after the first day of the fair, when nearly 10,000 glasses were broken, the prices had to be increased or the firm would have suffered loss.

TO SET DATES FOR COMING OF BRYAN TO CITY

Former Cabinet Member to Be Speaker at Anti-Saloon Meeting.

OPEN CAMPAIGN OCT. 2

Clinton Howard Will Make Address at Rally.

Definite plans for the appearance in East Liverpool for former Secretary of State William Jennings Bryan and Col. Daniel Morgan Smith in connection with the state-wide dry campaign will likely be fixed this week. Thomas Hindle, chairman of the Columbiana County Dry Federation, announced Monday.

Advance men for both Mr. Bryan and Col. Smith are expected to arrive here to complete arrangements for the appearance of the two dry speakers. Mr. Bryan is touring Ohio under the auspices of the Anti-Saloon league of America and is accompanied by Dr. H. H. Russell, founder of the league. His Ohio itinerary calls for five speeches daily from October 6th up until the night before the general election, Nov. 4.

Col. Dan Morgan Smith of Chicago is also speaking under the direction of the Anti-Saloon league. He was commander of the 358th Infantry, better known as the "Battalion of Death" during the war.

The dry campaign in East Liverpool will be formally launched Thursday night, Oct. 2, when Clinton Howard, famous orator and humorist of Rochester, N. Y., is scheduled to address a mass meeting in the auditorium of the First Methodist Episcopal church. Plans for the coming of Mr. Howard will be laid at a meeting of ward chairmen, precinct captains and executives of the East Liverpool Dry Federation Tuesday evening in the First Methodist Protestant church. Selection of a chairman for the Fourth ward will be announced Tuesday night.

DEATH ROLL

Mrs. Aloia A. Bowman.

Mrs. Aloia Agnes Bowman, aged 61, died suddenly at 9 o'clock Sunday morning at the home of her daughter, Mrs. H. G. Trefaller, at Dormont, Pa., following a brief illness, it is announced here.

Deceased spent the greater part of her life in Atlantic City, N. J. She was first united in marriage with James Bair, whose death occurred a few years later. John Bowman, her second husband, died but a few years ago.

Mrs. Bowman is survived by a son and two daughters, Arthur Bair of Butler, Pa.; Mrs. H. G. Trefaller of Dormont, Pa.; and Mrs. Harry Backman of Butler. The following brothers and sisters are also living: Mrs. Wilson S. Greene of Kittanning, Pa.; Charles Connor of Pittsburgh; Joseph and M. C. Connor of Kittanning, Pa.; and Mrs. W. J. Foley of East Palestine, O.

Funeral services will be held Tuesday afternoon from the home of her daughter, Mrs. Howard G. Trefaller, at Dormont.

COUNTY NEWS

HOUSE TURNED TOPSY TURVEY

Sheriff Dalrymple and Deputy Harlan Crawford were called to the home of H. B. Kyser in Fairfield township Sunday afternoon to investigate the ransacking of the house. While the family was absent, the home was entered and everything turned upside down. The chairs, music stand, piano bench, beds and other articles were scattered over the floors, drawers opened, but nothing taken.

A note was pinned on the door upon which was drawn a picture of a black hand with the following written: "Will get you in two weeks. Better stay in. Beware." Underneath this was a skull and cross bones.

Silverware, jewelry and \$11 in money in the home was not disturbed by the visitors.

VERDICT FOR PLAINTIFF IN AUTO CRASH CASE

In the case of Fred Johnson of Carroll county against I. O. Bloom of Pittsburgh, a jury in common pleas court Monday morning returned a verdict for \$556 for the plaintiff. The case grew out of an automobile accident that happened in Salineville in August, 1918, when Bloom's machine ran into John's car and wrecked it.

The automobile of Bloom at the time of the accident was attached as the owner was a non-resident of Ohio. In the event Bloom does not pay the verdict the automobile will be sold by the authorities.

NEW PASTOR ASSUMES CHARGE IN LISBON

Rev. Mr. Scott, the new pastor of the Methodist Episcopal church, Lisbon, preached Sunday morning and evening to large congregations. He and his family will arrive here Wednesday. Rev. Mr. Scott was a chaplain in the army and saw service on the battle front with the boys.

Visiting in Lisbon.

Howard Tollerton and wife of Alliance motored to Lisbon Sunday bringing Mrs. Eliza Dunnan of Paxson, Ill. with them. The latter will visit here at the home of Samuel King for some time, she being a aunt of Mrs. King.

Bethlehem plant here this morning. The strikers are all affiliated with the Machinists' union. The machinists are the only men who organized in the local plant. A cordon of police was thrown around the plant, but there was no disorder.

The machinists on strike, at a meeting today, will make an effort to organize the other men in the mill.

BALTIMORE, Sept. 29.—According to officials of the corporation and steel workers at Sparrows Point, not a man went out at the Bethlehem Steel Company's plant there in response to the strike order issued by the national strike committee Saturday and was set for 6 o'clock this morning.

A vote taken yesterday showed that only a few men cast their ballots in favor of striking. These men have been working on only half-time recently. In normal times the steel and plate mills, which would be affected by a strike, employ about 6,000 men. It is said at present about 5,000 men are employed at the plant.

PITTSBURGH, Sept. 29.—"Bethlehem is closed down," said a telegram received at strike headquarters here today from union officials in charge of the walkout at the Bethlehem plants. "Our reports show that the walkout was a success," said Wm. Z. Foster, eastern director of the strike.

By GEORGE R. HOLMES. PITTSBURGH, Sept. 29.—The second week of the nation-wide strike started today with both operators and strikers claiming progress which will insure ultimate victory. Operators confidently assert that the worst is over, that the strike had "shot its bolt" in the first week without winning and that from now on a steady increase can be expected in production and resumption of the industry generally. An air of optimism pervaded steel circles despite the throwing into effect of the strike order at the Schwab plants at Bethlehem, Steelton and other eastern Pennsylvania points.

For the first time since the strike started, the Carnegie plants at Homestead declared today every department operating 100 per cent. The plants there continued to operate all week, though handicapped by the shortage of common labor. The over-the-week returns were sufficient to permit full operations, according to mill officials. Duquesne, McKeesport, Braddock, Brackenridge and other points in the heart of the western Pennsylvania district reported considerable accessions to their forces over Sunday.

The situation in the Pittsburgh district as portrayed at strike headquarters, was little changed. Constant small additions to the ranks of the strikers were claimed, and it was asserted that many men who worked last week would be missing from the mills this week.

"The mills are making a lot of smoke and noise," said Wm. Z. Foster, the generalissimo of the strikers here, "but they are doing little if any real production."

The week-end which had generally been feared by officials who anticipated disorder, passed quietly enough. Two youths were injured in minor disorders which had little bearing on the strike. Strikers held meetings in several districts under police supervision with no trouble occurring.

10 Per Cent of Mutuels.

PARIS—The followers of the racing game are finding it a little harder than ever to "beat the game" in France this season. The pari-mutuels are paying 2 per cent less than they did in pre-war days. Instead of taking only 8 per cent from the total wagered the officials are deducting 10 per cent on all tracks where the mutuel system is used.

HIGH GRIDDERS WINNERS, 13-0

Two touchdowns and one kicked goal, good for a total of 13 points, were recorded by the orange and black Saturday afternoon at Central park when they rolled back the East Palestine high school gridders in the initial contest of the season here.

Owing to an injured eye, Shoub, regular, was out of the fracas. It developed, however, that his services were not needed, for the Wellsville eleven waded into the engagement from the first foot of the referee's whistle, outplaying the visitors in every department. All scoring was done in the initial period. The first touchdown came in the first quarter when Arbaugh bucked the line for six points. Salsman added another in the next period and also kicked goal.

Next Saturday is an open date for the local team's schedule so far. Arrangements are now being made, though, to bring the Alliance high club here on that date. Alliance defeated the county seaters at Lisbon Saturday 26 to 0.

The locals lined up as follows: Dray, left end; Patterson, left tackle; Van Fossen, left guard; Kerr, center; Mick, right guard; Dowling, right tackle; Fogo, right guard; Zurbuch, center; Salsman and McSweeney, halfbacks; Arbaugh, fullback. Substitutions—Morris for Mick; Williamson for Kerr; Miller for Williamson; Sinclair for Fogo; Nelson for Dowling; Silcox for Nelson; Harry Kelley, referee; Paisley, umpire; Figley, headlinesman.

PREPARATORY SERVICES AT U. P. CHURCH

Special preparatory services for the observance of communion next Sunday at the United Presbyterian church will be held Thursday and Friday evening at the church, it was announced Monday by Rev. Robert Ustick, pastor. Rally day exercises will be held Sunday also. An interesting program has been prepared for the occasion.

The Royal Welsh Singers will be an attraction at the United Presbyterian church Tuesday evening, October 7, it is announced. The singers give a complete program of musical numbers in addition to a lecture by one of the three members, who tells of their experiences aboard the liner Lusitania, which was sunk by a German submarine shortly before the United States declared war on Germany.

Conducting Services at Millport. Beginning Monday and continuing for a period of two weeks, Rev. Howard G. Wilkinson, pastor of the First Presbyterian church here, will conduct a series of services at the Bethesda church, Millport. Rev. E. J. Travers, pastor, will assist.

Initiated Class Here. The East Liverpool degree team of the order of Moose had charge of the degree work at the initiation of candidates into the Wellsville order here Sunday. A large class took the initiatory degree.

Meeting Postponed. The election of delegates to the state convention to be held at Columbus October 10 and 11 by Wellsville Post No. 70 of the American Legion, failed to take place Sunday as originally scheduled. Sunday's meeting was postponed until next Sunday.

WILL ATTEND MEET OF OHIO SYNOD

Rev. Robert W. Ustick, pastor of the First United Presbyterian church, will leave Monday evening or Tuesday morning for New Concord, O., where he will attend a meeting of the synod of Ohio of that church.

Representatives from nine presbyteries in this section of the state will be in attendance. The business of the synod will be discussed in the Rix Mills church, at New Concord. The opening sessions will be held Tuesday morning, the synod completing its affairs at its closing sessions Wednesday evening.

BURNS PROVE FATAL TO GIRL

Mary Elizabeth, four-year-old daughter of Mr. and Mrs. William Ackerle of Broadway died Saturday evening about 9 o'clock as the result of burns sustained Friday afternoon.

The child was preparing to light a bundle of papers Friday to burn them when the flames from the match in her hand spread to her clothes and in a few minutes practically enveloped her entire body. Her screams attracted the attention of her father and neighbors who rushed to her assistance. Her father wrapped her in a carpet, extinguishing the blaze but not before serious burns had been inflicted. At 1 o'clock Saturday afternoon the girl lost consciousness and remained in that condition until she died.

Besides her parents, the child is survived by three brothers, Roy, William and Wayne, and two sisters, Hazel and Lakah, all at home.

Funeral services will be held at 2 o'clock Monday from the late home, Rev. A. J. Allman, pastor of the First Methodist Protestant church, officiating. Interment will be made in Spring Hill cemetery.

NEED \$60,000 BOND ISSUE FOR SCHOOLS

The issuance of bonds in the sum of approximately \$60,000 will be necessary to aid in the proper maintenance of school work here, it is declared by members of the local board of education who will meet Monday evening at the new high school building to take some definite action on the proposed issuance of the bonds.

The shortage at the present time is estimated at \$30,000 and this, together with a yearly shortage of \$15,000 to \$20,000 yearly, makes the \$60,000 issue necessary.

It is likely too, said board members that the contract for the construction of the new high school gymnasium and auditorium will be let at the meeting Monday evening.

The bride is a daughter of Mr. and Mrs. Emmor Earl. She has been employed for some time in the National China company's plant.

Fined for Wasting Bread.

LONDON—Fined \$25 for throwing four pounds of bread into a swill tub Mrs. Ida Lawrence, a miner's wife, said it was dirty bread her husband had brought home. The magistrate said the woman's husband when strikers were going about asking for aid that the wife of one of them should be wasting bread.

Prefers Hell to Walvis.

LONDON—Walvis, on the coast of Southwest Africa, is said to be the sandest place in the world. A writer to a local paper finishes his description of Walvis thus: "Some one who had only been in Walvis for a few days was asked on his return home, 'What do you think of it?' His reply was: 'If I owned hell and Walvis and had to sell one of them, I would sell Walvis.'"

At The Theatres

FEATURE OFFERING AT CERAMIC THEATRE

What could shock a sedate and a church-going community? Not only to secretly dance in her own home, but go out at night with a young chap called "Sporty" and dance in the neighboring town.

She knew the latest "shimmy" and she danced the lightest step capering into the life of "True Heart Susie" to become a troublesome and delightful figure in D. W. Griffith's latest Artcraft picture which shows Monday, Tuesday and Wednesday at the Ceramic theatre. The part is played by Clarine Seymour, the "Cutie Beautiful" of "The Girl Who Stayed at Home."

Robert Harron as a lanky, long necked country boy who goes to college and becomes a minister, with wise opinions about selecting a girl for a wife, plays the part of a character familiar to millions in this great Griffith production.

In her new character of "True Heart Susie," Lillian Gish is at her best.

To give the motion picture fans of East Liverpool a bill that will linger long in their memories, the management of the Ceramic has secured "No Mother to Guide Him," one of the greatest of those good Paramount-Mack Sennett comedies as a supplement to "True Heart Susie." In addition "The Pathe Weekly" and "The Pathe Review."

CLASSY PHOTOPLAY IS BOOKED AT STRAND

One of the most important settings in "A House Divided," which is the current attraction at the Strand theatre, the photodramatic feature which J. Stuart Blackton dubs his "picture of big sets," is a cottage in the French town of Belleau. This cottage was constructed in the Blackton studios in Brooklyn, of brick and plaster, from photographs of a cottage which stood in Belleau before the Germans besieged the town. After the peace-time scenes concerning this cottage were filmed by Commodore Blackton, it was then bombed in the studio to put it in realistic condition for the after-war scenes set therein.

The auditorium and stage of the Criterion theatre provided very realistic scenes for "A House Divided."

A Brooklyn church offered the English architecture demanded for a cathedral setting, and other important reproductions for backgrounds of "A House Divided" are the British house of parliament in session and an English ballroom, each of which taxed the capacity of the Blackton studios.

ELSIE FERGUSON IN "WITNESS FOR DEFENSE"

Many odd things occur during the filming of photoplays, as was evidenced during the making of "The Witness for the Defense," a superb Paramount-Artcraft picture, which will be shown at the American theatre Monday, Tuesday and Wednesday.

While filming one scene representing a jungle in India, but which was made in Florida, Miss Ferguson was watching flies which annoyed a tame looking alligator lying half submerged in a lagoon. Her gold mesh purse, valued at \$250, and containing a considerable sum in bills, fell from her hand and without warning was snapped up by the alligator.

An attendant suggested that the animal be killed at once and the property recovered, but Miss Ferguson would not permit this.

"The Witness for the Defense" is a thrilling picture, the scenes of which are laid in England and India.

CHARLES RAY STARS IN DIAMOND FILM

Dramatic action of a high order and thrills galore are conspicuous features of "The Law of the North," the latest starring vehicle featuring Charles Ray, which is to be shown at the Diamond theatre Monday, Tuesday and Wednesday.

There are numerous situations in this thrilling photoplay of the far North which make it one of the best in which Mr. Ray has been seen in many months. Mr. Ray plays the part of a strong man known as the "Eagle," the son of the commandant of a trading post at "top o' the world." When his father is murdered by an employe of the post, who also abducts the only sister of the "Eagle," scenes of intense heart appeal ensue. Alain de Montcalm, the part played by Mr. Ray falls in love with the daughter of the murderer of his own father, and this complicates affairs until Heaven disposes of the assassin in a novel manner.

When you hear the real Caruso

To hear the real Caruso, the real Galli-Curci, the real Alma Gluck, the real Kreisler—to hear all the greatest artists of the world in your own home just as they want you to hear them, it is as necessary that you should have a Victrola as that you should have their Victrola Records.

The Victrola and Victor Records are scientifically coordinated and synchronized in the processes of manufacture, making it necessary to use them *together* to achieve a perfect result. The greatest singers and instrumentalists are exclusive Victor artists not only because their interpretations are so faithfully recorded on Victrola Records, but because the Victrola is the one instrument that plays them with the degree of perfection and beauty of tone that meets the approval of the artists themselves.

When you play Victrola Records on the Victrola—and only on the Victrola—you really hear these great artists exactly as they themselves heard and approved their own work.

Hear the world's greatest artists on the Victrola today at any Victor dealer's. He will gladly play any music you wish to hear. Victrolas and Victor Records \$12 to \$950.

HOUSE TURNED Topsy TURVEY

Sheriff Dalrymple and Deputy Harlan Crawford were called to the home of H. B. Kyser in Fairfield township Sunday afternoon to investigate the ransacking of the house. While the family was absent, the home was entered and everything turned upside down. The chairs, music stand, piano bench, beds and other articles were scattered over the floors, drawers opened, but nothing taken.

A note was pinned on the door upon which was drawn a picture of a black-hand with the following written: "Will get you in two weeks. Better stay in. Beware." Underneath this was a skull and cross bones.

Silverware, jewelry and \$11 in money in the home was not disturbed by the visitors.

VERDICT FOR PLAINTIFF IN AUTO CRASH CASE

In the case of Fred Johnson of Carroll county against I. O. Bloom of Pittsburgh, a jury in common pleas court Monday morning returned a verdict for \$556 for the plaintiff. The case grew out of an automobile accident that happened in Sallenville in August, 1918, when Bloom's machine ran into John's car and wrecked it.

LITTLE REST FOR PRESIDENT

Executive Got Virtually No Sleep Sunday Night.

WASHINGTON, Sept. 29.—"The president passed a restless night, but is sleeping this morning."

(Signed) "Grayson."

This bulletin was issued by Rear Admiral Cary T. Grayson, the president's personal physician, at 11:10 today.

It is understood that the president got virtually no sleep during the night and Dr. Grayson was with him constantly. It was not until early today that it became possible for the president to sleep, and he was slumbering at the time the bulletin was issued.

Published reports that specialists were to be called were without confirmation at the White House today. In fact there was every indication that the president's condition is not so critical that Dr. Grayson will need any assistance.

REPORTS FROM STOCK MARKET

NEW YORK, Sept. 29.—Stocks were under pressure at the stock market opening today with losses ranging from one to four points.

Ohio Federation of Labor, sent to Steubenville by Governor Cox, said over the long distance today that he believed all cause for alarm is over.

"I talked to the boys last night and have been assured that they will not attempt a march on West Virginia soil," said Donnelly. "I find that many steel workers from Weirton are coming to Steubenville to join the union."

According to Donnelly, the mills at Weirton are practically closed today. Gov. Cox issued this statement: "The circumstances attendant upon the assembling of state troops are these:

"For several days, an attempt has been made in the city of Steubenville and the adjacent country of Jefferson county, to mobilize 5,000 steel workers, largely foreigners, untrained, for the purpose of marching them across the river into West Virginia. While it is not within my province to assume the purpose of the invasion, the formation of a mob made up in considerable part of foreigners on Ohio soil could not be regarded as a circumstance of harmless possibilities.

"The movement receded within the last two or three days, but notwithstanding this, the West Virginia authorities seemed to be in a high state of excitement and apparently their state government was not equipped to meet an emergency."

"Therefore, as a matter of pure precaution, the 4th Ohio, under command of Col. Benson Hough, of the Rainbow division, was assembled Sunday afternoon in company headquarters, and machine guns were brought by truck from Camp Sherman."

"At the same time, T. J. Donnelly, president of the Ohio Federation of Labor, and Thomas J. Duffy, of the state industrial commission, were sent to Steubenville for the purpose of impressing upon the labor leaders there, the importance not only to the public interest, but to that of labor as well, of breaking up any plan to assemble foreign workmen."

"Both Donnelly and Mr. Duffy give me reassuring reports this morning and I am hopeful that the danger has passed."

tion at the next succeeding regular or general election in any year occurring subsequent to forty days after the filing of such initiative petition."

"My reason," Mr. Hilbert continued "for submitting this question to you is that I see by the papers that a number of petitions were filed with the secretary of state last week, and the paper stated that they were filed too late to be voted on this fall and would go over until next year."

While Mr. Hilbert's inquiry was based solely upon the firemen's two-platoon petition, the reply of the secretary of state clears up the existing question relative to the legality of the filing of the referendum against the increased traction fare ordinance enacted by the Wellsville city council.

Inasmuch as the similar ordinance passed by the East Liverpool city council becomes operative simultaneously with the Wellsville measure, the new fare on the East Liverpool-Wellsville line will be delayed until after the election.

\$2,250 in Liquor Fines.

Cardiff—Fines amounting to \$2,250 were imposed for selling liquor at more than the controlled price at the Royal Agricultural Show. The defense was that after the first day of the fair, when nearly 10,000 glasses were broken, the prices had to be increased or the firm would have suffered loss.

TO SET DATES FOR COMING OF BRYAN TO CITY

Former Cabinet Member to Be Speaker at Anti-Saloon Meeting.

OPEN CAMPAIGN OCT. 2

Clinton Howard Will Make Address at Rally.

Definite plans for the appearance in East Liverpool for former Secretary of State William Jennings Bryan and Col. Daniel Morgan Smith in connection with the state-wide dry campaign will likely be fixed this week. Thomas Hindle, chairman of the Columbiana County Dry federation, announced Monday.

Advance men for both Mr. Bryan and Col. Smith are expected to arrive here to complete arrangements for the appearance of the two dry speakers. Mr. Bryan is touring Ohio under the auspices of the Anti-Saloon league of America and is accompanied by Dr. H. H. Russell, founder of the league. His Ohio itinerary calls for five speeches daily from October 6th up until the night before the general election, Nov. 4.

Col. Dan Morgan Smith of Chicago is also speaking under the direction of the Anti-Saloon league. He was commander of the 35th infantry, better known as the "Battalion of Death" during the war.

The dry campaign in East Liverpool will be formally launched Thursday night, Oct. 2, when Clinton Howard, famous orator and humorist of Rochester, N. Y., is scheduled to address a mass meeting in the auditorium of the First Methodist Episcopal church. Plans for the coming of Mr. Howard will be laid at a meeting of ward chairmen, precinct captains and executives of the East Liverpool Dry Federation Tuesday evening in the First Methodist Protestant church. Selection of a chairman for the Fourth ward will be announced Tuesday night.

DEATH ROLL

Mrs. Aiola A. Bowman.

Mrs. Aiola Agnes Bowman, aged 61, died suddenly at 9 o'clock Sunday morning at the home of her daughter, Mrs. H. G. Trefaller, at Dormont, Pa., following a brief illness. It is announced here.

Deceased spent the greater part of her life in Atlantic City, N. J. She was first united in marriage with James Bair, whose death occurred a few years later. John Bowman, her second husband, died but a few years ago.

Mrs. Bowman is survived by a son and two daughters, Arthur Bair of Butler, Pa.; Mrs. H. G. Trefaller of Dormont, Pa., and Mrs. Harry Bachman of Butler. The following brothers and sisters are also living: Mrs. Wilson S. Greene of Kittanning, Pa.; Charles Connor of Kittanning, Pa., and Mrs. W. J. Foley of East Palestine, O.

Funeral services will be held Tuesday afternoon from the home of her daughter, Mrs. Howard G. Trefaller, at Dormont.

HIGH GRIDDERS WINNERS, 13-0

Two touchdowns and one kicked goal, good for a total of 13 points, were recorded by the orange and black Saturday afternoon at Central park when they rolled back the East Palestine high school gridders in the initial contest of the season here. Owing to an injured eye, Shoub, regular, was out of the fracas. It developed, however, that his services were not needed, for the Wellsville eleven waded into the engagement from the first foot of the referee's whistle, outplaying the visitors in every department. All scoring was done in the initial period. The first touchdown came in the first quarter when Arbaugh bucked the line for six points. Salsman added another in the next period and also kicked goal.

Next Saturday is an open date for the local team's schedule so far. Arrangements are now being made, though, to bring the Alliance high club here on that date. Alliance defeated the county seaters at Lisbon Saturday 26 to 0.

The locals lined up as follows: Dray, left end; Patterson, left tackle; Van Possen, left guard; Kerr, center; Mick, right guard; Dowling, right tackle; Fogo, right guard; Zurbuch, center; Salsman and McSweeney, halfbacks; Arbaugh, fullback. Substitutions—Morris for Mick; Williamson for Kerr; Miller for Williamson; Sinclair for Fogo; Nelson for Dowling; Silex for Nelson; Harry Kelley, referee; Paisley, umpire; Fligley, headlinesman.

PREPARATORY SERVICES AT U. P. CHURCH

Special preparatory services for the observance of communion next Sunday at the United Presbyterian church will be held Thursday and Friday evening at the church, it was announced Monday by Rev. Robert Ustick, pastor. Rally day exercises will be held Sunday also. An interesting program has been prepared for the occasion. The Royal Welsh Singers will be an attraction at the United Presbyterian church Tuesday evening, October 7, it is announced. The singers give a complete program of musical numbers in addition to a lecture by one of the three members, who tells of their experiences aboard the liner Lusitania, which was sunk by a German submarine shortly before the United States declared war on Germany.

Conducting Services at Millport. Beginning Monday and continuing for a period of two weeks, Rev. Howard G. Wilkinson, pastor of the First Presbyterian church here, will conduct a series of services at the Bethesda church, Millport. Rev. E. J. Travers, pastor, will assist.

Initiated Class Here. The East Liverpool degree team of the order of Moose had charge of the degree work at the initiation of candidates into the Wellsville order here Sunday. A large class took the initiatory degree.

Meeting Postponed. The election of delegates to the state convention to be held at Columbus October 10 and 11 by Wellsville Post No. 70 of the American Legion, failed to take place Sunday as originally scheduled. Sunday's meeting was postponed until next Sunday.

WILL ATTEND MEET OF OHIO SYNOD

Rev. Robert W. Ustick, pastor of the First United Presbyterian church, will leave Monday evening for Tuesday morning for New Concord, O., where he will attend a meeting of the synod of Ohio of that church. Representatives from nine presbyteries in this section of the state will be in attendance. The business of the synod will be discussed in the Rix Mills church, at New Concord. The opening sessions will be held Tuesday morning, the synod completing its affairs at its closing sessions Wednesday evening.

BURNS PROVE FATAL TO GIRL

Mary Elizabeth, four-year-old daughter of Mr. and Mrs. William Ackerle of Broadway died Saturday evening about 9 o'clock as the result of burns sustained Friday afternoon. The child was preparing to light a bundle of papers Friday to burn them when the flames from the match in her hand spread to her clothes and in a few minutes practically enveloped her entire body. Her screams attracted the attention of her father and neighbors who rushed to her assistance. Her father wrapped her in a carpet, extinguishing the blaze but not before serious burns had been inflicted. At 1 o'clock Saturday afternoon the girl lost consciousness and remained in that condition until she died. Besides her parents, the child is survived by three brothers, Roy, William and Wayne, and two sisters, Hazel and Lakah, all at home. Funeral services will be held at 2 o'clock Monday from the late home, Rev. A. J. Allman, pastor of the First Methodist Protestant church, officiating. Interment will be made in Spring Hill cemetery.

TO NAME SECRETARY FOR LOCAL C. OF C.

A new secretary to the Wellsville Chamber of Commerce, to succeed W. R. Sneed, present holder of the office, who leaves here shortly, will be chosen at a meeting of the board of directors of the organization in their rooms in the city hall, Tuesday night, it was announced Monday. W. R. Sneed, who has held the office of secretary since the organization of the chamber here, has accepted a position at an ice plant in Hamilton, O., and expects to leave here in about a month. Sneed tendered his resignation to the chamber about two months ago, but up till the present time no candidates for the position have been considered. Notices for the meeting will be mailed to directors Monday.

New Pastor Preaches. Rev. C. F. McBride of Steubenville preached his first sermon from the pulpit of the First Methodist Episcopal church here Sunday morning. Rev. McBride succeeds Rev. Joseph Jacobs, who has been transferred to Shelby, O. Members of the congregation will entertain Monday evening at 8 o'clock in the church in honor of Rev. and Mrs. Jacobs, who will leave shortly.

NEW MILL WILL BOOM TORONTO

Toronto, with a present population of approximately 6,000, will practically triple that number of inhabitants by the addition of the new sheet and tin plate mill, it was predicted Monday. It is fully expected that by the time the Follinsbee Brothers' mill is in complete operation, there will be added to the city's present population about 10,000 more people.

The new mill will necessitate the construction of great railroad yards at Toronto. The railroad facilities at the present are not as efficient as mill owners desire, it is said. Railroad officials are said to have announced that plans are already under way for handling all the mill's incoming and outgoing materials. Work will be started also this fall on construction of another track through the Toronto branch and workmen will soon be placed on the construction of the "Y" at Yellow Creek, presenting better outlets for the mill.

The Follinsbee mill will be of the most improved type from a manufacturing standpoint, it is said, containing all the latest improved machinery and safety devices known, adaptable for that mill.

Following is a list of the mill's different parts and some of the dimensions:

Four 40-ton open hearth steel furnaces.
Four side door ingot furnaces.
One 1,500 ton hydraulic press.
One 30-inch reversing bar mill.
There will be ten finishing mills, consisting of the following:
Four 60-inch sheet mills.
Four 44-inch sheet mills.
Two 40-inch sheet mills.
Each finishing mill will have one stand of roughing rolls, ten cold mills and twelve double annealing furnaces.
The total area covered by the plant will be about 15 acres, of which the following buildings will be a part:
The open hearth and hot mill building will be 1,500 feet in length and will average 100 feet in width.
The annealing building will be 100 by 700 feet.
The waterroom will be 60 by 500 feet.
The machine shop will be 40 by 100 feet.
The powdered coal building will be 60 by 150 feet.
The scrap shed will be 60 by 400 feet.

There will be numerous other small buildings for offices, storerooms and shops.
The mill will employ about 1,000 men, most of whom will be skilled labor. The payroll will average about \$200,000 per month.

The company has also optioned enough coal land to enable them to mine the coal necessary for their requirements. They will consume about 300 tons per day.

Large and well financed realty company is being organized to take care of the housing of the new workmen whom the factory will employ.

It will be necessary for the realty company to build 300 new and modern houses and before entering into contracts for the construction of these homes the vacant real estate will be improved under the supervision and direction of well known landscape gardeners and engineers.

NEED \$60,000 BOND ISSUE FOR SCHOOLS

The issuance of bonds in the sum of approximately \$60,000 will be necessary to add in the proper maintenance of school work here, it is declared by members of the local board of education who will meet Monday evening at the new high school building to take some definite action on the proposed issuance of the bonds. The shortage at the present time is estimated at \$30,000 and this, together with a yearly shortage of \$15,000 to \$20,000 yearly, makes the \$60,000 issue necessary. It is likely too, said board members that the contract for the construction of the new high school gymnasium and auditorium will be let at the meeting Monday evening.

WELLSVILLE PERSONALS. Warren Fife of Broadway is recovering from burns he sustained several days ago in an oil well explosion at Glasgow. Miss Justine Maylone and Mrs. Beatrice Brannan of Main street spent Sunday with Miss Maylone's father, C. B. Maylone of Pittsburgh. Marriage Announced. The announcement has been made of the marriage of Delmar L. Wright and Miss Phyllis Earl. The ceremony was solemnized Wednesday morning in the United Presbyterian parsonage in Lisbon. Rev. Paul Carson performed the ceremony.

The bridegroom is a son of Mr. and Mrs. William Wright of Lincoln street. He recently returned from France. The bride is a daughter of Mr. and Mrs. Emmor Earl. She has been employed for some time in the National China company's plant.

Fined for Wasting Bread. LONDON—Fined \$25 for throwing four pounds of bread into a well tub Mrs. Ida Lawrence, a miner's wife, said it was dirty bread her husband had brought home. The magistrate said the woman's husband was on strike and it was a serious thing when strikers were going about asking for aid that the wife of one of them should be wasting bread.

Prefers Hell to Walvis. LONDON—Walvis, on the coast of Southwest Africa, is said to be the sandiest place in the world. A writer to a local paper finishes his description of Walvis thus: "Some one who had only been to Walvis for a few days was asked on his return home, 'What do you think of it?' His reply was: 'If I owned hell and Walvis and had to sell one of them, I would sell Walvis.'"

Ride Lambs to Death. NEWCASTLE—Three of seven boys charged with having killed 24 lambs by riding on them and maimed five were discharged. The others were remanded.

At The Theatres

FEATURE OFFERING AT CERAMIC THEATRE

What could shock a sedate and a church going community? Not only to secretly dance in her own home, but go out at night with a young chap called "Sporty" and dance in the neighboring town. She knew the latest "shimmy" and she danced the lightest step capering into the life of "True Heart Susie" to become a troublesome and delightful figure in D. W. Griffith's latest Artcraft picture which shows Monday, Tuesday and Wednesday at the Ceramic theatre. The part is played by Clarine Seymour, the "Cutie Beautiful" of "The Girl Who Stayed at Home."

Robert Harron as a lanky, long necked country boy who goes to college and becomes a minister, with wise opinions about selecting a girl for a wife, plays the part of a character familiar to millions in this great Griffith production.

In her new character of "True Heart Susie," Lillian Gish is at her best.

To give the motion picture fans of East Liverpool a bill that will linger long in their memories, the management of the Ceramic has secured "No Mother to Guile Him," one of the greatest of those good Paramount-Mack Sennett comedies as a supplement to "True Heart Susie." In addition "The Pathe Weekly" and "The Pathe Review."

CLASSY PHOTOPLAY IS BOOKED AT STRAND

One of the most important settings in "A House Divided," which is the current attraction at the Strand theatre Monday, Tuesday and Wednesday, the photodramatic feature which J. Stuart Blackton dubs his "picture of big sets," is a cottage in the French town of Belleau. This cottage was constructed in the Blackton studios in Brooklyn, of brick and plaster, from photographs of a cottage which stood in Belleau before the Germans besieged the town. After the peace-time scenes concerning this cottage were filmed by Commodore Blackton, it was then bombed in the studio to put it in realistic condition for the after-the-war scenes set therein.

The auditorium and stage of the Criterion theatre provided very realistic scenes for "A House Divided."

A Brooklyn church offered the English architecture demanded for a cathedral setting, and other important reproductions for backgrounds of "A House Divided" are the British house of parliament in session and an English ballroom, each of which taxed the capacity of the Blackton studios.

ELSIE FERGUSON IN "WITNESS FOR DEFENSE"

Many odd things occur during the filming of photoplays, as was evidenced during the making of "The Witness for the Defense," a superb Paramount-Artcraft picture, which will be shown at the American theatre Monday, Tuesday and Wednesday.

While filming one scene representing a jungle in India, but which was made in Florida, Miss Ferguson was watching flies which annoyed a tame looking alligator lying half submerged in a lagoon. Her gold mesh purse, valued at \$250, and containing a considerable sum in bills, fell from her hand and without warning was snapped up by the alligator.

An attendant suggested that the animal be killed at once and the property recovered, but Miss Ferguson would not permit this.

"The Witness for the Defense" is a thrilling picture, the scenes of which are laid in England and India.

CHARLES RAY STARS IN DIAMOND FILM

Dramatic action of a high order and thrills galore are conspicuous features of "The Law of the North," the latest starring vehicle featuring Charles Ray, which is to be shown at the Diamond theatre Monday, Tuesday and Wednesday.

There are numerous situations in this thrilling photoplay of the far North which make it one of the best in which Mr. Ray has been seen in many months. Mr. Ray plays the part of a strong man known as the "Eagle," the son of the commandante of a trading post at "Top of the world."

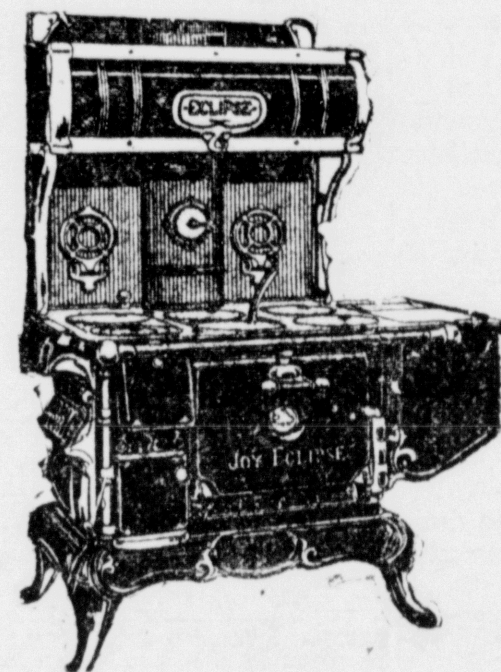

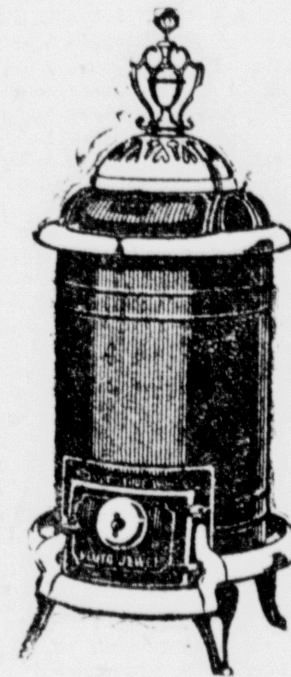

When his father is murdered by an employe of the post, who also abducts the only sister of the "Eagle," scenes of intense heart appeal ensue. Alain de Montcalm, the part played by Mr. Ray falls in love with the daughter of the murderer of his own father, and this complicated affair until Heaven disposes of the assassin in a novel manner.

East Liverpool Review

THE EAST LIVERPOOL PUBLISHING COMPANY

Entered at East Liverpool, Ohio, as Second Class Matter

The Review, the only evening newspaper in East Liverpool, has a larger circulation than any other newspaper in East Liverpool or Columbiana county, according to the Audit Bureau Circulation's audit. In East Liverpool it has almost twice the circulation of the morning paper. The Review is the only newspaper in Columbiana county with a full leased wire service.

SPITTING ON THE SIDEWALK.

East Liverpool seems to have many persons who pay no attention to "Spitting on the Sidewalk Prohibited" signs.

Absolutely disregarding the fact that the filthy practice is not only a violation of the health regulations, but is disgusting to pedestrians, street corner loafers continue to use sidewalks as cuspidors.

Realizing the danger that results from this offense, health authorities here have made every possible effort, with the co-operation of the police department, to curb it. However, despite their endeavors, there is a constant violation of the law.

It is practically impossible for the police department to prevent this bad practice, for to even curb it would require the services of more patrolman than East Liverpool's financial condition will permit. However, a second thought on the part of offenders would undoubtedly cause a change in their habits.

Leaving aside consideration of the question from a sanitary standpoint, common decency should be sufficient to cause a discontinuance of the practice.

ADVERTISERS FOR TRUTH.

"If you believed everything an advertisement says about the goods advertised you'd wonder why it was necessary to offer any publicity at all."

Such a statement indicates a desire to doubt the advertiser's veracity. But the general public knows that the great bulk of advertising found in reliable publications today is honest and instructive. The advertising sections of magazines and daily newspapers are read as regularly and thoroughly as the other sections. The most successful ad is the one that presents its goods not only attractively but truthfully.

Honesty in advertising was the keynote of the convention of the Associated Advertising Clubs of the World, recently meeting in New Orleans, La. Representatives from Australia, India, South and Central America attended that convention along with members from clubs in the United States and other countries.

The convention listened to a plea from Samuel Gompers for good will in industries. And it heard many leaders in the advertising profession urge a steady stand for truth in advertising.

Honesty has long been recognized as the best policy in dealings between individuals. It is also the best policy in domestic and international advertising.

MENTAL TESTS.

One of the big universities is applying "practical psychological tests" to applicants for entrance, to determine their degree of intelligence. It is no doubt highly desirable that none but intelligent young men should be admitted to college. Some of the test questions, however, are proving rather puzzling to the candidates, and no less so to people outside who heretofore have never seriously doubted their own practical intelligence.

Suppose the reader were asked to make a cross before the best answer to the question, "Why should every man be educated," the answers to select from being as follows:

- "Because Roosevelt was educated."
- "Because it makes a man more useful."
- "Because it costs money."
- "Because some educated people are wise."

Now, frankly, which answer would you choose? And have you any idea whether your most intelligent friend would choose the same answer?

Here is one that may make still more trouble. The subject is required to write the letter F before "each of these statements which could not possibly be true":

1. "The dog pursued the stag through flower gardens in full bloom."
2. "While sharpening his three-bladed knife, my cousin cut his middle finger."
3. "The red-haired girl, standing in the corner, is taller than any of her brothers."

Does the more or less intelligent reader know of any good reason why a dog could not pursue a stag through flower gardens in full bloom? Or why a cousin could not cut his middle finger while sharpening a three-bladed knife? Or why a red-headed girl could not be taller than any of her brothers, no matter what color their hair may be?

We give it up. These mental tests are too much for us. We could never break into college, on this basis.

LIVESTOCK IN THE WEST.

After years of effort the livestock interests of the Pacific Coast will see one of their dreams come true when the California International Livestock show opens at the Panama-Pacific exposition grounds in San Francisco, Nov. 1. This will be the first great interstate show on the coast devoted exclusively to the exhibition of livestock, though men engaged in the industry have felt for years that such an institution was needed.

Professor Gordon True of the University of California, head of the animal industry bureau of that school, and an authority on pure-bred stock, will have much to do with plans for the show.

It appears that more attention has been paid to the breeding of pure-blooded stock in the East and Middle West than in the Far West. This great exposition will show how far the movement has been carried on the western coast, and will encourage further progress.

It is impossible that there could be too many pure-bred cattle, or too many owners who understand the economic value of the better breeds.

"Better Sires, Better Stock" is to be the slogan of the National Bureau of Animal Industry for the coming year. California and the other coast states will doubtless show themselves well qualified to lead in the movement.

Anyway, there is one mitigating circumstance in this cost-of-livings business. There hasn't been any appeal yet to do your Christmas shopping early.

NEW YORK LETTER

NEW YORK, Sept. 29.—Thoughts while strolling around Manhattan — Pink-checked fellow with blonde curly hair and cherubic face is a famous white slave agent. Been in prison three times. Looks so angelic. There's Caruso's son. He's jazzed up in Broadway clothes all ready. Hope Enrico makes him lay off those one button coats. Another Danish pastry shop. A great season for pie and cake—and what the guests bring with them.

Parisian looking girl with deftly shadowed eyes. Eyebrows are shaved. The henna touch to her hair. Or all things! Dress ends just below her knees. Some people would stick around for a breeze. I won't. Golden quill pens for sale. Never saw anybody write with them except on the stage and in the movies. And how quickly they write a note on the stage or screen. Zip, and it's done!

Channing Pollock with bang-up literary looking glasses. Wonder how you pronounce prince-nez? A good line he pulled. Rushed into the Author's League breathless. Shouted, "My Heavens, the tattooers are on strike!" Wish somebody would give me a good collar for my dog. Engraved and everything.

Tough looking customer with a blue black beard and wearing an undershirt. Nobody wears only an undershirt in New York but ice wagon drivers. Back home we used to put on a clean one for Sunday and be dressed up. Little Frances White in a gay racer. Got the smallest foot in the world, they say. Had a split up with William Rock. Too bad. Still its none of my business.

A lot of pretty girls serving the orange juice drinks now. Ought to draw better than red headed boys. See there is an Egyptian Princess in town. New York falls for that stuff like a load of bricks. Hello! West Forty Sixth Street. Most interesting block in town. Between Broadway and Eighth avenue. Table d'hotes. Magic shops. Theatrical boarding houses. Chop suey joints. Dime museum. Vaudeville Actor's Club House. Think I'll live down here.

He wore English tweeds, a jaunty cap and across his shoulder a strap and below, a la racing, a leather case of the large field glass type. On his arm was a young lady quite easy to look at. And they entered one of the smartest cafes on Fifth avenue. He carried the leather case so carefully that one might well think it contained the Kohinoor. Inside they were seated. And then the clever bit of camouflage was explained. In the case were two bottles. A New York firm makes them in this way and the sale of them is something enormous. But you have to have tweeds to go with them. And that reminds me—a friend of Tad Morgan's was going to England. At a farewell party Tad asked his friend to bring him some tweeds—and then added, "if not tweeds at least a tweed."

The phrase "Giving the raspberry" was coined on Broadway. And George M. Cohan made it a part of the English language by declaring that the actors on strike did that to him. It is the theatrical idea of sabotage in the strike. The phrase has finally broken into print even into the staid old Evening Post, where editors come to work in frock coats. When George Bernard Shaw used "bloody" in its slang sense in a play the audience felt that all was over with the English language and when George M. Cohan commented bitterly upon "the raspberry" it assumed genuine importance in the strike news and all the copy readers agreed to let it pass. In London theatres "teh raspberry" has a synonym, "the bird." Every now and then the expression is heard in connection with raw deals. Thomas Hardy unwittingly gave the phrase a literary standing when he wrote his poem "A Caged Goldfinch" and had these lines "the grave to be her false one's, who when wooing gave her the bird."

Ogilvie's Store News

EAST LIVERPOOL, OHIO, SEPTEMBER, 29, 1919.

Special Showing and Sale of Wool and Cotton Blankets Begins Tomorrow

These are the Golden Days of the year—and our blankets are Golden Values Indeed. We place on sale something over a hundred pairs of all wool, all cotton, and wool and cotton mixed blankets tomorrow—A great many of these blankets were carried over from last year, the others were bought many months ago. The result is a wonderful saving over the price of these blankets today. Housewives will find it quite a saving to anticipate their needs and lay in a supply of blankets this week. The stocks and assortments are complete and you'll find just the kind of blankets you want here.

Grey Cotton Blankets, 66x80 inches, \$3.75 Pair.

Wool and cotton mixed blankets in pretty plaids and white with colored borders, size 66x80 inches, at \$8.50 Pair. Another grade with a larger per cent. of wool at \$11.50 Pair.

Those famous all-wool Buffalo blankets that wear so well and launder so perfectly at \$12.50 to \$18.50 Pair. All white with colored borders and all the various colored plaids.

Beacon Bath Robe blankets in a wonderful variety of patterns and colors from the light, dainty colors suitable for young girls to the darker colors suitable for men. They're marked \$5.25, including cords and frog. We might remind you that right now is a good time to make these up, or we'll make them up for you if you wish.

"Beacon" Comfortables are being used by a great many these days for bed blankets. The patterns and colors are very attractive and they are very serviceable. Prices, \$5.75 to \$9.00.

Beacon blankets for couch covers, \$5.50 and \$6.00.

PLAN FOR SALE OF HOSPITAL OUTLINED HERE

Summit County Will Purchase Springfield Lake Sanitarium.

HERE ARE TERMS
Columbiana County May Erect Separate Tuberculosis Hospital.

Terms under which the joint five-county tuberculosis sanitarium at Springfield Lake is to be sold to Summit county have just been drawn, it was announced Saturday.

Here is what Summit county will have to pay each county in order to gain control of the institution: Columbiana county, \$44,038.32; Mahoning, \$90,690.29; Stark, \$80,011.21, and Portage, \$25,069.95.

Under terms of the agreement each county will have one year in which to remove its patients from the sanitarium and provide other arrangements for their care.

The Springfield Lake sanitarium, largely through mismanagement it is said, has been a "white elephant" on the hands of the five counties since its establishment. Summit county, in which the hospital is located, has sent more than its share of patients to the institution. It is declared. The death rate, too, has been exceptionally high at the institution.

Columbiana county commissioners have long considered a plan to erect a separate sanitarium for the county's tubercular patients in this county and steps may be taken to utilize the funds derived from the sale of its share in the five-county institution for that purpose.

Springfield—Besides returning indictments against seven persons the grand jury here recommended that the October grand jury conduct a food probe to discover whether or not there is illegal storage of foodstuffs or combinations to hold up food prices.

Rescuer Gets Rum and Fine.

Dies with Husband.

ST. IVES, Cornwall.—A woman's dying thought for her husband, a blinded and paralyzed ex-sailor, resulted in both losing their lives here. The victims, named Pollard, lived in a cottage near the shore. When the wife returned from a visit to the beach she found a lamp overturned and the kitchen in flames. She rushed upstairs through dense smoke and dragged her husband to a third story window. Before a ladder could be brought both were overcome. The bodies were found with the wife clasp her husband as though to shield him from harm.

COULDN'T SLEEP WELL AT NIGHT

Was Extremely Nervous and Had a Severe Case of Indigestion, He Said.

NOW RECOMMENDS EARLY'S HYPO-COD VERY HIGHLY.

"My wife suffered from a general rundown condition, was extremely nervous and would get very little sleep, possibly three or four hours at night. Her stomach was also in a very bad condition and she had a severe case of indigestion," declared a well known Canton man whose name and address is given below.

"I bought Early's Hypo-Cod because it was recommended by a clerk in a drug store where I had been dealing for years. She now feels so very much stronger, her appetite has improved wonderfully, she can eat almost anything now and really enjoys it. She sleeps better now than she has for several years and her nerves are so much better. Remember she has taken one bottle and now I am buying the second one. I surely will recommend Early's Hypo-Cod to anyone needing a good tonic or stomach remedy," continued Mr. S. S. Pool, 1506 Fifth street, S. E. Canton Ohio.

At this season of the year, any person in a nervous, fitful, weakened condition, unable to sleep well, nights, restless, thin, pale, and headachy, should at once begin taking a tonic to strengthen their system and fortify themselves against still more serious troubles. Weak, puny, nervous, fretful, peevish, backward children should not be allowed to go out in changeable weather, catching colds, cough and disease. They should be given a tonic. The same way with overworked business men and women.

As a tonic Early's Hypo-Cod is being praised by thousands. It is an excellent formula. Read it over. It is printed plainly on bottle and carton and being made by the nationally known Early Chemical Co., Wheeling W. Va., is assurance of first quality. Get a bottle tonight at your druggist. Price \$1.20 plus 5c war tax.

BOCH-THOMPSON WEDDING TUESDAY

The marriage of Miss Evelyn Boch, daughter of Mr. and Mrs. J. W. Boch of Thompson avenue, and Joseph Thompson of West Sixth street, will be solemnized Tuesday afternoon at 4 o'clock at the home of the bride's parents.

Rev. Mr. Crowe of Pittsburgh, former pastor of the Second Presbyterian church of this city, and an uncle of the bridegroom-to-be, will perform the ceremony. The bride will be attended by her sister, Miss Doris Boch, and Harry Thompsons of New York, an army friend of the bridegroom, will act as best man.

Miss Alice Stevenson, a cousin of Miss Boch, will render a vocal solo during the service. Miss Mary Howe of Beaver, Pa., will play the wedding march. Following the ceremony, the couple will leave on a wedding journey. They will reside in the Martin apartments in East Third street.

SAYS IT SAVED HUSBAND'S LIFE

Pittsburg Lady Tells How Her Husband Was Brought Back to Perfect Health.

The following is a statement made by Mrs. George Arnold, who resides at No. 25 Boggs street, Mount Washington, and is a well known business woman of Pittsburg. She says:

"For a number of years my husband has been in a very poor state of health and a year ago he became very ill. It was a general breakdown and his stomach, liver and kidneys were in very bad shape. He had no appetite and could not keep any solid food in his stomach. Finally he became so bad that he was not expected to live, and we were completely discouraged, as he had tried all kinds of treatment, and medicines. As a last resort, I insisted that he try plant juice, as it had relieved me of a bad case of stomach trouble, and it seemed to be the only hope. From the first dose it seemed to help him, and since he has continued to use it an glad to state that he is a well man, no more aches or pains, his stomach is in fine condition, so he can eat any kind of food, his liver and kidneys are working well, and he says he never felt better in his life. We are both very grateful for his recovery and will be glad to recommend Plant Juice."

There are people everywhere who are half sick, nervous, who are depressed in spirit, lacking in vitality, dull, morbid, timid; they have pains in the back and hips, headaches, cold feet, dizzy spells, spots before their eyes, discolored skins, blotches, pimples, poor circulation, their food does not assimilate, and there is a derangement of the liver, kidneys and blood, as well as in the stomach. These conditions are the result of modern methods of living, and if Plant Juice is taken in time it gives almost immediate relief, and will lead to a speedy cure in practically every case.

Plant Juice is sold in East Liverpool at Larkin's drug store.

Happy Mothers

Many mothers who in order to keep the home neat and attractive, the children well fed and dressed, continually overdo.

The experience of motherhood alone causes a severe strain upon the system, from which many women recover slowly, and serious feminine disorders may develop unless great care is taken to prevent them.

To such women Lydia E. Pinkham's Vegetable Compound is invaluable. For many years this root and herb medicine has been recognized as the standard remedy for woman's ills, restoring them to a normal, healthy condition.

Mrs. Morgan's Case

East Hampton, N. Y. — "For two years I suffered with a female weakness, pains in my back and painful periods, and I was so weak and tired that I was not able to do my work. A friend told me to use Lydia E. Pinkham's Vegetable Compound and it gave me great relief. My pains left me and I am now able to do my work and feel fine. You can publish my testimonial and if your Vegetable Compound does others as much good as it has me I will be very much pleased."—Mrs. CHARLES E. MORGAN, C^W E. L. Dennett.

A Word to Childless Women

There are women everywhere who long for children in their homes yet are denied this happiness on account of some functional disorder which in many cases would readily yield to Lydia E. Pinkham's Vegetable Compound.

Such women should not give up hope until they have given this wonderful medicine a trial.

ANNOUNCEMENT:

The retail prices of Pianos have not advanced as much as many other commodities on the market.

There was a great demand for Pianos during 1918 and the present year, and it is going to be difficult to supply the demand in the face of the ever-increasing shortage of instruments

It is our prediction that there will be an increase in price on all musical instruments within a very short time.

We are fortunate in the fact that we have on our floor a large personally selected stock of

OUR FIRST ANNIVERSARY SALE!

STARTS TOMORROW-TUESDAY-AT 8:30 A.M.

We started buying for this event last spring when prices were low and the manufacturers made great price concessions to enable us to offer you these wonderful values at prices that we could not duplicate today.

From the very first day we took over this store and opened the doors, invited your patronage, we were never unmindful of the obligation we owed to the public which may be summed up briefly as: Proper Service; Proper Merchandise; Proper Value; Proper Dealing. And today as we look over the year and realize the measure of success we have achieved we feel that a mere "Thank You" can never adequately express our appreciation of the steadfast loyalty which has been vouchsafed us by you and the thousands of other faithful customers who have bought here the past year. But we want you to know that we are grateful for your good will and support, and that we shall strive in every possible way to merit the high confidence you have reposed in us.

WE REGRET that we are unable to express our thanks personally to each and every one of you, but under the circumstances we kindly ask you to accept this humble method of acknowledgment of your splendid support.

MILLINERY SAMPLE HAT SALE

THE ENTIRE SAMPLE LINE OFF A NEW YORK MAKER SECURED AT AN UNDER PRICE THAT ENABLE US TO OFFER TO EAST LIVERPOOL WOMEN HATS IN THE VERY NEWEST STYLES DIVIDED INTO TWO LOTS—PRICED \$2.95 and \$4.95. A DIFFERENCE THAT SHOULDN'T BE MISTAKEN.

We feel it due to every one of our many customers and friends that we take this opportunity to explain the difference between SAMPLES and JUNK. Many times you are misled by the meaning of the word Sample. When a buyer goes to purchase stock of any kind he looks at samples, or he buys a pig in a bag. These samples are carefully carried about in specially constructed trunks for this purpose, for samples have to look as good to the buyer as they do to you or they won't buy. Now, then, what do you suppose the drummer does with these samples after he has them on the road? No, they don't carry them back to the factory, but let them go to the man with ready cash to buy them, and you can always rest assured that when you see samples that you are getting the very best on the market—for, if you were putting a piece of work on the market, wouldn't you want the sample to be the last word in perfection and workmanship. TAKE ADVANTAGE OF SAMPLES EVERY TIME, FOR YOU CAN SAVE MANY DOLLARS.

VETERANS DEFEAT MONACA IN OPENING GAME HERE

SCORE THRICE
AGAINST ENEMY

Teamwork Wins for Locals—
Vets Prove Themselves
Strong on Line Tactics—
Passes Little Used.

Captain Art Smith's fire-eating Veterans for Foreign Wars, living up to their reputation acquired in the days of '17 and '18 when, with General Pershing at the helm, they outflanked the lowly Hun and smashed through the Hindenburg line for a touchdown for Uncle Sam, handed the enemy another sole plexus Saturday. However, hand grenades, mustard gas, forty-four and 75s were barred in this match for the enemy in question was only the Monaca (Pa.) ex-service men's eleven. It was not a hard victory for the vets who scored 21 to the Keystone state team's 3.

It was the vets' first start this season. It was their first victory, but not by any means will it be their last one for with further practice the Yank gridders are going to develop into a football machine that will surely make a name in this section of the state before the snow begins to fly. Many of the rough points to be knocked off yet and a few wrinkles ironed out before the squad acquires the desired flexibility. Saturday's game gave Captain Smith an excellent opportunity to observe the weak spots and the vets will get down to work this week to do their mightiest to eradicate them.

The veterans showed a good offensive against the Monaca outfit. Only a few forward passes were tried, a couple of which were effective. The visitors too were afraid apparently to use the aerial route to make gains and as a result the contest settled down to a steady grind of line plunges and flank movements. With the advantage of a little more weight than Monaca the locals were far superior to the visitors in plunging tactics. Only at one period did the blue and white sweaters make themselves dangerous. In the third quarter they made four first downs from their own 45-yard line to the veterans' 10-yard mark before they were stopped. At this time the veterans' line weakened a trifle, just enough to let the Monacans through for their first down four times. But just in the shadow of the goal posts Smith's warriors bucked up and presenting a practical impenetrable defense, threw back the attacks of the enemy backs and regained the coveted pigskin.

Monaca scored its three points in the first quarter when Young kicked from the 30-yard line. It was a perfect boot, sailing squarely through the middle of the uprights. Before the second stanza had gone very far though the vets made their first touchdown. Carrying the ball into the enemy's territory by plunges, Smith passed to Moore, who got away for 15 yards. McLaughlin, Bucher and Smith then hit the line for gains, Bucher carrying the ball across. Smith kicked goal. With about seven minutes of this period expired the vets, then working like a top, scattered the Monacans for another score. Smith going 20 yards through tackle for another six points. He kicked goal and made the score 14.

In the third quarter Moore was shifted from end to half and Mountford took McLaughlin's place at quarter. Waters going to end. F. E. then proceeded to startle the spectators by sensational sprints around the end. The little end developed speed that surprised the Monacans, gaining oodles of ground for the vets around the flanks. Wheatley worked the other end of the line to advantage. About the end of the third period the vets scored again. In the fourth both teams, tired out, were contented apparently, with finishing the quarter. There was no more scoring. The Rutledge brothers, Vorndran, Hall, Carrier and Walker proved themselves effective in the offensive tactics of the veterans. Bucher was very much in the game on the defense. McLaughlin, Wheatley, Smith and Bucher form a back field combination that is hard to beat.

The lineups:
Veterans. Monaca.
Vorndran. L. E. J. Hood
Rutledge. L. T. V. Keef

tels are overcrowded and those who have tickets entitling them to reserved seats Wednesday are sitting up at night to watch them. Meanwhile, everything is being put in readiness at Redland field for the opening game and as the gates are to be opened long before the noon hour, little trouble is expected in handling the crowd which, it is believed, will number about 38,000. Special stands, of a temporary nature, have been constructed for the series.

Cincinnati fans are primarily curious regarding the White Sox. None of the ill-feeling that prevailed against the Giants during their last two trips here has been in evidence. However, to keep the frenzied crowd in check on Wednesday, the Cincinnati club has provided for extra police and plain clothesmen will be on hand to "spot" and subdue anyone who attempts to incite rowdism.

Speculation regarding the pitchers for the opening game leans towards Cicotte for the Sox against Sallee or Reuther for the Reds. Cicotte is figured "a sure bet," but Manager Moran, it is rumored, may start any one of three pitchers which leaves a loop hole for Eller.

"Kid" Gleason's Three Aces

DICK KERR

Richard Kerr Jr., born in St. Louis, July 3, 1893. He is a left-handed pitcher and batter. Kerr began in Paragould, Ark., in 1909. His first major league trial was with St. Louis Browns, in 1917. He went back to Milwaukee team, from which Chicago obtained him this year. He is 5 feet 7 inches, weighs 155 pounds, is married, and lives in Paris, Tex.

EDDIE CICOTTE

Eddie Cicotte, pitcher, born in Detroit, June 19, 1894, began his baseball career in 1904 at Sault Ste. Marie, Mich. He then went to the Western league and then to Boston in the American league, from where he was obtained by the White Sox in 1911. He is 5 feet 8 inches and weighs 160 pounds. He bats and throws right handed, is married, and lives in Chicago.

CLAUDE WILLIAMS

Claude Williams, pitcher, was born March 9, 1893, at Aurora, Mo., and began at Nashville in 1912. Later he had a chance with Detroit, but was sent to the minors, and in 1916 was obtained from Salt Lake club. He is 5 feet 9 inches, weighs 160 pounds, throws left handed, and bats either way, is married, and calls Springfield, Mo., his home.

JACK JOHNSON IS
CHAMPION OF MEXICO

CITY OF MEXICO, Sept. 28.—(Delayed)—In the same bull ring in this city where thousands of bulls have been slaughtered and scores of bull fighters have been killed and where Enrico Caruso will sing next Sunday, Jack Johnson knocked out Charles (Kid) Cutler in the sixth round this afternoon, winning the heavyweight championship of Mexico. In a preliminary bout Paul Samson, an American, knocked out Honorato Castro, a Mexican, in the third round of what was to have been a 15-round fight.

Eel Origin Solved.

LEWISTOWN, Pa.—The origin of the eel, which has long been a mystery to fishermen along the Juniata river, is in a fair way to being solved by William Rager, of Lewistown, who found a small egg which he is certain was dropped by an eel he caught. The egg is about the size of a small marble. It will be hatched out if possible in an incubator.

Stumbles on Fortune.

SYDNEY, N. S. W.—A rabbit catcher at Mudgee, after robbing a bees' nest, stumbled on what he found to be a fourteen-pound nugget of the shape of a Maltese cross and of practically pure gold.

TAD'S TID-BITS

NEW YORK, Sept. 29.—Tom Mulvey, of San Francisco, who has been associated in the boxing game with Jim Coffroth since both wore Nolan's 33 shoes, declares Joe Gans to be his choice for the greatest man that ever wore fighting shoes.

"Was there ever a prettier boxer to watch than Gans?" asked Mulvey as he got heated up about his man. "They say that Larry LaJoie made everything look easy at second base. You never saw Gans ruffled very much did you, and he took them all the way up to middleweights. The sobriquet 'Old Master' fitted him nicely. That was a moniker for your life."

"You must remember that Gans, too, was sort of an old man when he lost his title. He'd been in the ring seventeen years up to that time, and he was thirty-four years old. Battling Nelson on that day was tougher than any lightweight that ever lived. I mean that he could take more punishment and still come back with a great deal. Gans, sick and old, went seventeen rounds with him at that, and quit only when nature left him flat."

"He had fought hundreds and hundreds of battles, long and short, with clever men and hard hitters. He was in the game when a tough gang was around, too. He had to beat such fellows as Dal Hawkins, Young Griffo, Elbow MacPadden, Kid McPartland, Jack Blackburn, Willie Fitzgerald, Bobby Dobbs, Frank Erne, and so on. Later he beat Britt, Unholz, Nelson and Rufe Turner. He fought a draw, too, with Joe Walcott, who was then welter-weight champion."

"I liked his style, though; it was so easy going. A master at blocking and a terrific man with a punch—when he hit he HIT! He wasn't a splashy mauler. Everything was timed with Gans and everything went like clockwork. Taken all in all, I don't really believe that such a master in ring craft will ever live again."

REVERSE ENGLISH SPORTING NOTES.

John J. McGraw, of the New York Giants, has engaged a box at Cincinnati for himself and a few choice rooters. They are going out to cheer Pat Moran.

Billy Gibson will give a dinner at the Criterion Cafe, Monday night, in honor of Phil Glassman and Lew Tendler, of Philly.

Colonel Jake Ruppert has wired Ban Johnson asking him to be his guest on a hunting trip early in January, down in Georgia.

Manager Gleason, of the White Sox, will use Eddie Cicotte exclusively as a pinch-hitter in the coming World's Series with the Reds.

TOM COWLER IN FRISCO.

Tom Cowler, the big English heavy who went to Mexico to fight Johnson, is out in Frisco looking for Willie Meehan. Cowler states that he did not meet "Lil' Artha" in Mexico because the latter wouldn't fight for keeps. He wanted Tom to play the dying gladiator thing in the eighth round and give him half the receipts. Cowler refused, and with his manager took it on the lamb in the middle of the night across the border.

CANADA CAL'S CHIRPS.

Thurston, the magician, asks in his newspaper advertisement, "Do the spirits return?" and answers, "Yes, the spirits do return." Lots of people who are not magicians, but who are thirstin', nevertheless, will be glad to hear that the spirits return.

Jack Dempsey, having given his testimonial to the merits of an iron medicine, the doctor should now find out what made McGinnity the "Iron-man" that he was.

Young men are often advised to strike out for themselves, but in baseball a substitute batter sometimes strikes out for somebody else.

ONCE FINISHED TENTH
Since 1882 Cincinnati Outfit

By JACK VEIOCK.

The ups and downs of the Cincinnati Reds—the downs in particular—have furnished columns for the sport pages of the country ever since it became apparent that Pat Moran's Reds were destined to cop the National League gonfalon and enter the world's series.

Cincinnati is certainly rich in baseball history. Her great team of 1893, the famous aggregation gotten together by Harry Wright, was the first honest-to-goodness professional team ever recruited. There were many teams playing in various parts of the country east of the Mississippi river prior to that time, but they played baseball purely for the love of the game, and played it in a haphazard fashion.

Harry Wright's famous team made a success of the game professionally. They went on tour and drew big crowds for those days in various cities, and, the best of all, they went through the season without a defeat. Thus the old Red Stockings formed the foundation for the birth of professional baseball teams in other cities and later on for organized leagues for teams such as we have today.

Since the days of those famous Red Stockings of Wright's time a Cincinnati team has won a pennant—but it didn't amount to anything. The Cincinnati team in the American Association of 1882 copped the flag, but the Red Sox of that day in the National League failed to uphold traditions of the once great nine whose name it bore and so since that time and until today the Reds have trailed.

1876, but four years afterward the Reds were kicked out "for various reasons." In 1890 Cincinnati got another franchise. New management and new players, however, failed to lift the Reds out of the rut until this year. Owners, managers and players have come and gone for years. Cincinnati fans have had their hopes built up time after time only to see them so crashing into the depths of repeated defeats.

One Cincinnati team, and only one, has finished as high as second place since 1877. This was the team of 1878, which included Billy White, a pitcher who wore eyeglasses; Doocan Jim White, catcher; Chub Sullivan, first base; Joe Gerhardt, second base; Bill Geer, short; Cal McVey, third base; and Jones, Pike and M. J. Kelly, outfielders.

In the years that followed the Cincinnati team finished third in 1896, 1898, 1904 and 1918; fourth in 1890, 1897, 1902, 1903, 1912 and 1917; fifth in 1879, 1892, 1905, 1908 and 1910 and sixth in 1893, 1899, 1906, 1907 and 1911.

John T. Brush, who later owned the Giants, purchased the Reds from Aaron Stern in 1890 and made Tom Loftus manager. Charley Comiskey, whose White Sox meet the Reds for the world's title this year, is a member of the ex-managers of the Cincinnati Reds. "Commy" held the reins

FUMBLES LOSE
GAME FOR HIGH

Wheeling Wins from Locals,
21-13, Scoring All Points In
First Period of Contest.

Fumbles galore in the first half of the game by East Liverpool High backs allowed the Wheeling scholastic eleven to win, 21-13, at League Park, Martins Ferry Saturday. Wheeling's first touchdown was earned, but the two succeeding scores were indirectly the results of the inability of the Blue and White to hold the ball. Twice in possession of the pigskin they allowed it to slip, the West Virginians recovering. Each time the Blue and Gold crossed the line for pointers.

East Liverpool's open play netted them their two touchdowns. Brown was the star at the passing game, corraling a total of nine forwards.

"Yockey" in the Register says: "Wheeling piled up all her points in the first quarter and never scored thereafter. It was well she did for the Ohioans developed unexpected strength in the third period and played all around the gold, scoring two touchdowns. Wheeling revived in the final session and finished a much better looking eleven than their opponents."

The game was played at League Park, Martins Ferry, and attracted a large crowd of followers from this city as well as a big bunch of curious Martins Ferry fans who turned out to get a line on the Kellison red gridders, who have a crow to pick with the Martins Ferry team at a future date. The day was a scorcher for football and the wear and tear soon told on both teams. East Liverpool trotted out a scrappy aggregation and didn't give anything away.

The following is a running description of the contest:

Wheeling won toss and received at south goal. Mantion kicked off for East Liverpool. Booted ball to 20-yard line. Munas ran it back 10 yards. Basista made first down in two tries at the line. Hatfield ran five yards around right end. Steinbecker broke loose from several tacklers and made a run of 40 yards for Wheeling's first score. He upset several tacklers with a pretty stiff arm in his run. Basista kicked goal.

Basista kicked off to the East Liverpool goal line. East Liverpool fumbled on their third play and Wheeling recovered. Steinbecker ran 12 yards for first down. Munas made tight and Basista made frise down. Munas circled the end for 20 yards, placing ball on East Liverpool's 5-yard line. Basista tore through the line for second touchdown. Basista kicked goal.

for three years, and was a failure. Then came Buck Ewing, who managed the team for five years. He was followed by Bob Allen and after one year Eddie McPhee took the management.

Once Finished Tenth.
Starting with the season of 1900, when Allen took the reins, the Reds were managed by the following men:

Year.	Name.	League Standing.
1900—Bob Allen	7
1901—Biddle McPhee	8
1902—Biddle McPhee	4
1903—Joe Kelley	4

It is interesting to recall that the team once finished tenth when managed by Comiskey and while playing

East Liverpool again received. Terry fumbled on second play and Basista recovered. East Liverpool was penalized 15 yards for slugging. Munas ran 14 yards to the eight-yard line. Steinbecker made four through tackle and Basista shot over for the third score. He also kicked his third goal from touchdown.

In the second quarter neither eleven scored, but Wheeling had possession of the ball most of the period. Steinbecker made a run of 35 yards around end and carried ball to East Liverpool 20-yard line. Munas then threw pass to Brinkman, who went over just as time was called for first half. This score was not allowed, as referees claimed the ball had been touched by another Wheeling player. Wheeling was never in danger during the first half and played mighty good ball. The backfield handled the ball well and picked holes nicely. East Liverpool had many fumbles during the first half.

East Liverpool came back in the third quarter and executed many forward passes. East Liverpool held Wheeling on the gold and blue 20-yard line and on three plays put the ball between posts on a pretty forward, Mantion to Brown. Davis kicked goal.

Their second touchdown came on a 29-yard forward from Mantion to Brown in the third quarter. Davis missed goal.

For East Liverpool Mantion and Davis were the strong men in the backfield, while Brown at right end caught a total of nine forward passes, making two touchdowns.

G. McDonald received a badly cut eye in the third quarter. He was taken from the game.

Steinbecker played well while in the game, making a 40- and 35-yard run. He was taken out with a bad leg after the first half.

The line-up:

Substitutions—Wheeling: Tighe for Barnes; Wagner for Front; Milligan for Steinbecker; Neubir for Front. East Liverpool: Meuge for Kinsey; Kinsey for Manton; Dimmit for G. McDonald; Robinson for Dimmit.

Touchdowns—Wheeling: Basista, 2; Steinbecker, 3. East Liverpool: Brown 2. Goals from touchdowns: Basista 3; Davis 1. Referee, Miller, Wesleyan. Umpire, Games, Staats. Head linesman, Redman, W. H. S. Timers, White and Stropm.

in a twelve-club circuit. This was in 1894, and Comiskey had a team composed of Chamberlain, Dwyer, Parrott and Tannehill in the box; Murphy, Vaughn and Merritt behind the bat; Comiskey, McPhee, George Smith and Arlie Latham on the infield, and Holliday, McCarthy, Canavan, Hogan and "Dummy" Hoy in the outfield.

MORANITES WORK OUT
Betting In Queen City Is
6 to 5 On White
Sox.

By JACK VEIOCK.

CINCINNATI, Sept. 29.—With the first world's series clash between the Reds and White Sox scheduled for Wednesday, Cincinnati is a whirlpool of excitement and expectancy today.

For weeks this hot old baseball center has been working itself into a frenzy as the Reds rolled down the front stretch in front of the field and beat the Giants of the first pennant Cincinnati has won in almost half a century.

Kid Gleason and his American League champs will arrive from Chicago tomorrow.

Moran and his "idols" were prepared to take a light workout today.

Cincinnati is hilariously happy and wonderfully proud of the Reds. She believes in them and in Moran, but she is not over confident. Proof that the White Sox are respected here lies in the fact that most of the betting favors Chicago—odds of 6 to 5 and that no cyclone of betting odds has struck to date. These odds have prevailed as a rule in betting to date both on the first game and on the series. Ho-

SHOWS BENEFIT OF DRY NATION

COLUMBUS, Sept. 29.—"A nation of sober workmen and employees will make the wealth-producing power of the United States the envy of the world," declared Attorney Wayne B. Wheeler, general counsel for the Anti-Saloon league of America. "As Colonel House, President Wilson's adviser recently said: 'Prohibition in this nation will compel Europe to adopt the same policy, as these nations cannot compete with us industriously, if handicapped by liquor.' "National prohibition in these days of social unrest and reconstruction is saving this country from disaster," continued Wheeler. "After every war, disorder and unrest follow. This natural result of all wars is aggravated by the fact that the purchasing power of the dollar has been diminished and a readjustment of wages was necessary to offset it. "If saloons had been opened in Boston and Washington and in the

cities where the recent troubles and mob violence took place, the loss of life would have been appalling," declared Wheeler. "In the present labor trouble, the situation will be less critical because

liquor is not so available, even under partially enforced prohibition. "Labor will be the greatest beneficiary under permanent prohibition, which begins in January, 1920," Wheeler concluded.

SEEK MAN ON BIGAMY COUNT

Frank Flemming, aged 27, well known Weirton man, is being sought by authorities on a charge of marrying a young Warren, O. girl while he was still the husband of one wife and the father of two children. Flemming, who formerly worked in Weirton, sold his property which brought \$5,000, recently. He moved his family to Warren, O. He is now charged with taking \$3,500 of the money and leaving Warren with a young woman, Miss Hilda Mackey. It is alleged they went to Newport, Ky., and were married on Sept. 11, nine days after the Flemming family left Weirton.

A warrant has been issued at Warren, O., by the girl's parents for Flemming's arrest. The authorities have been unable to locate him anywhere although a wide search has been conducted. It is said by friends of the first Mrs. Fleming that she will start divorce proceedings against her husband. The first Mrs. Fleming resides in Steubenville. Her father's name is Dr. Parham. They were married in Steubenville several years ago.

The Warren girl, who is still in her teens, returned home a few days ago and told her parents of having run away and married Flemming. It then developed that Flemming already had a wife and two children.

BURGETTSTOWN FAIR WILL OPEN TUESDAY

The sixty-fourth Burgettstown fair will open Tuesday at Burgettstown, Pa., and judging from the entry lists, the exhibition this year will be one of the largest in the history of the affair.

For the last couple of weeks, the grounds and buildings have been undergoing extensive improvements and repairs in preparation for the affair. The race track has been dragged and some excellent speed events are to be seen on Wednesday and Thursday. Horses from three states have been entered for the purses, which are said to aggregate approximately \$1,000 on each of the days.

The fair this year promises to be largely attended by Hancock county residents. Several automobilists from Chester are planning to drive to the fair.

CELEBRATE BIRTHDAY OF REV. ATKINSON

In honor of his 32nd birthday anniversary, Rev. E. J. Atkinson, pastor of the Free Methodist church here, was pleasantly surprised by a large circle of friends, at his home on Carolina avenue Saturday evening.

Prof. Robert Troup rendered a number of piano selections, while Roy Bennett pleased with trombone numbers. Vocal music was furnished by Mrs. Allison, Miss Emma Bennett and Mr. Wilkinson. Refreshments were served during the evening. The host was the recipient of a number of pretty presents.

A number of East Liverpool persons were included among the guests of the evening.

FOLLANSBEE'S PLANS FOR YANK RECEPTION

Plans are nearing completion for the Welcome Home reception and celebration for Follansbee's service men to be held Saturday, October 4. A committee is making up a list of names of all ex-soldiers, sailors and marines and is getting in touch with those who have moved away from Follansbee since being discharged and others who are still in service for whom furloughs will be procured.

The big street demonstration to be held at 10:30 o'clock in the morning will be a feature.

Worn Out Women

CHESTER LOSES INITIAL GAME

The first game of the championship series between the Chester and Sallineville baseball teams, went to the latter club, Saturday afternoon at Rock Springs Park. The final tally was 8 to 2.

Hileman, twirling for the local team was hit hard by the visitors and in the ninth inning was withdrawn in favor of Duncan. Lohman, on the mound for the coal miners, was effective at all stages of the game, the Chester batsmen being able to connect with but five of his offerings.

The feature of the game was the catch made by Left Fielder Green, when, in the ninth inning, he speared McNeel's drive, after a long run. The game was witnessed by a large number of baseball fans.

The second game will be staged at Sallineville next Saturday afternoon. Saturdays score follows:

R. H. E.
Chester 001 100 000—2 6 1
Sallineville 002 101 005—9 15 2
Batteries: Hileman, Duncan and Wilson; Lohman and McNeel.

NEW CUMBERLAND TEAM LOSES OPENING GAME

By the score of 21 to 0 New Cumberland high school went down to defeat in the first game of the season at Steubenville Saturday afternoon with the Steubenville high school as opponents.

The Steubenville eleven played a good game and the county seat lads were never able to get closer to the mound than the 25-yard line, although they managed to hold the Jefferson county boys to three touchdowns. New Cumberland has a heavy and fast backfield, but it was smothered by the smother by the Steubenville line.

The New Cumberland lineup was as follows: Bradley, right end; Atkinson, right tackle; Roach, right guard; H. Roach, center; Ramsey, left guard; McCrea, left tackle; Mayhew, left end; Glass, right half; R. Cowi, left half; S. Cowi, fullback; Simon, quarterback. Haus was substituted for Ramsey in the second half.

Workmen Go to Weirton.
Enroute to Weirton, where they will begin the construction of a new addition to one of the steel mills in that place, a gang of laborers, including a large number of Mexicans and Indians, passed through Chester. The men were employed by the Jack Walsh Construction company of Pittsburgh, who has the contract for the job.

Saturday Was Mill Payday.
Saturday was payday at the local plant of the American Sheet and Tin Plate company. With the local works running to full capacity, the payroll was unusually large.

Farm Is Sold.
By a deal, which has just been announced, Miss Pearl Swearingen has sold the farm of her father, the late George Swearingen, to Elmer Swearingen. The consideration was not announced.

Local Fans to See Series.
Chester is to be represented in the world's championship baseball series, which opens at Cincinnati Wednesday afternoon, when the Reds, winners of the National League pennant, will clash with Chicago, who finished first in the American League race. Several local baseball fans will leave here tomorrow evening for the down-river city. Dr. C. R. Campbell will be among the local delegation to attend the opening game.

Celebrated Wedding Anniversary.
Mr. and Mrs. C. W. Bartley celebrated their fiftieth wedding anniversary at their home on the Hookstown road Sunday. The affair was attended by more than half a hundred children, grand children and other descendants of the couple.

Everyone Should Drink Hot Water in the Morning
Wash away all the stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside, no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, rheumatism or gas, acid stomach, you must bathe on the inside like you bathe on the outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do, says a well known physician.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify and freshen the entire alimentary tract, before putting more food into the stomach.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless, except a sourish twinge which is not unpleasant. Drink the phosphate hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

To feel like young folks feel; like you felt before your blood, nerves and muscles became saturated with an accumulation of body poisons, begin this treatment and above all, keep it up! As soap and hot water act on the skin, cleansing, sweetening and purifying, so limestone phosphate and hot water before breakfast, act on the stomach, liver, kidneys and bowels.

Charles F. Johnson Makes Significant Signed Statement
Mr. Johnson says that when advising himself and wife to take Nerv-Worth the doctors spoke of it as "fine medicine." Here is the story as given to the Columbus Nerv-Worth druggist, not long ago:

"The Mykrantz Co.—My wife and I have used Nerv-Worth with wonderfully beneficial results. She had been troubled for years with severe nervousness. Pains in the back of her neck. Stomach and digestion in bad shape. Restless at night and very much run down.

I had serious nervous trouble. Tossed about the bed all night long and worn out by morning and it was pulling me down in strength and something had to be done to get relief as it was affecting my eyesight. We both found it in Nerv-Worth, which put us in good shape and did it quick. It is a wonderful medicine and tonic and rid us of all our nervous troubles. We both eat and sleep well and enjoy good health. We recommend Nerv-Worth to all. It was recommended to us by two doctors.

Simple Home Remedy
Advised For Rose And Hay Fever

Anyone Can Make a Pint For Trifling Sum and Used in Time May Prevent Annual Attack

"No matter how severe your yearly attack be, No matter how distressing or humiliating—Its intensity can be reduced to a harmless, mildness."

says a Kentucky druggist who believes from what he has seen that this simple home made remedy is a most important discovery.

He has seen the most severe and apparently unquarable cases reduced to what might be called a mild cold in twenty-four hours.

In many cases where the patient started treatment a week or ten days before the expected attack the unwelcome yearly visitor failed to appear with anything like its usual intensity.

People who want to try this new treatment can make a pint in a few minutes.

Pour one ounce of Mentholized Arcline into a pint bottle then fill the bottle with water that has been boiled. Gargle daily as directed and sniff or spray the nostrils twice daily.

That's all there is to the treatment which so many sufferers have found to be a true friend.

Mentholized Arcline in one ounce vials is dispensed by all the better pharmacies.

FASCINATING TEETH
How Every Woman Can Quickly Charm Her Friends With Lovely Teeth, Clean, White and Brilliant

If you want the cleanest of white teeth and healthy gums free from disease, an easy and quick way to get both is to use a tooth paste so effective and perfect that astonishing results usually come in a week's time.

And the cost is so little. Just go to any drug or department store, and get a large tube of **SENRECO TOOTH PASTE** for 85 cents.

Not only will it make your teeth clean and white, but it will at once remove any filmy coating, help to check the ravages of Pyorrhea and banish acidity in the mouth.

It is used by thousands of dentists and its sale has been remarkable. When you visit your dentist, which you should do at least twice a year, ask him about **SENRECO**. It's a most delightful and refreshing tooth paste.

HAULS SAND FOR CONGO-ARROYO ROAD

G. A. Arner today expects to complete the hauling of the sand and gravel, being used in the completion of the Congo-Arroyo road.

With good weather prevailing, the improvement to the road is progressing rapidly. Freshwater Bros., of Chester, have the contract.

The improved road will be approximately five miles long. Approximately three miles of the new roadway has been completed, part of it already being open for traffic. All of the grading has been finished the laying of concrete being all that remains to finish the job.

The new roadway will be one of the finest stretches in Hancock county.

GODDARD IS GIVEN ARMY DISCHARGE

Private Charles Goddard has returned home, after serving for approximately 15 months in the army. He was honorably discharged at Camp Sherman, Friday.

Private Goddard, before entering the military service, was identified with his brother, Howard, in the bakery business on Virginia avenue. He went overseas, early last summer and went "over the top" several times, as a member of the famous First Division. He was a member of Company D, 18th Infantry.

Following the signing of the armistice, Goddard's division was sent into Germany, where it remained until the middle of last August. He participated in parades held both in New York and Washington, following the return of the command to the United States.

Mr. Goddard expects to return to his old position with his brother, after a few days rest.

RED CROSS MAY PLACE FLOAT IN BIG PARADE

Home Service Section Invited to Participate In Yank Reception.

ON HALLOWE'EN NIGHT

Red Cross to Name Case Worker This Week.

Dr. O. P. Andrews, member of the executive committee of the East Liverpool Post No. 4, American Legion, Saturday invited the Civilian Relief Home Service section of the Red Cross to participate in the homecoming for East Liverpool's ex-service men Halloween night, October 31.

If a street parade is staged as a part of the reception activities, the Red Cross organization may place a float in the parade, Miss Dorothy Weinsweig, executive secretary of the home service-civilian relief, stated. An appropriately decorated booth is also tentatively planned.

Two applicants for the position of case worker recently added to the active staff of the home service organization will be interviewed next week at the regular weekly meeting of the committee Friday afternoon. One of the applicants is a former East Liverpool school teacher, while the other is a New Cumberland, W. Va., young lady. Appointment of a case worker will be announced next week.

Alliance—Voters will be asked to authorize a \$500,000 bond issue for the erection of an auditorium to the high school at a cost of about \$350,000 and the construction of a new school house in the south part of the city.

VANDERBILT, SUE FOR DIVORCE, HAS A NOVEL CAREER

Reginald Vanderbilt.

Reginald Vanderbilt, youngest son of the late Cornelius Vanderbilt, has been sued for divorce by his wife, Cathleen Neilson Vanderbilt. Vanderbilt came into his fortune when he was twenty-one and married Miss Neilson two years later.

He was refused a degree at Yale because of his failure to pass the law examinations. Four months later he was awarded his sheepskin. During the Canfield gambling trial in New York several years ago Vanderbilt was sought as a witness to testify regarding large sums of money lost by wealthy men in gambling games.

Some of the folks hereabouts call me a busybody—a gad-about. Maybe they're right. I certainly get into all the highways and byways, the nooks and corners, the business marts and the mansions, the cottages and conferences everywhere and I know what is doing wherever I go.

I'm a sort of get-together fellow. And I'm at your service wherever I go. I make it my business to know who's looking for a job and I make it my business to know where the job is and I put one and one together. That's addition—that's me. "Ad" is my middle name. That's the way they classify me. PLAN TO OPEN NEW CLUB ROOM ON WEDNESDAY

American Legion Will Occupy Fourth Floor of Ikirt Building.

INSTALL FURNITURE

Plans for Increasing Membership Under Consideration.

The new club rooms of East Liverpool Post No. 4, American Legion, in the fourth floor of the Ikirt building, will be formally thrown open to the use of members next Wednesday, Post Commander Wm. S. Foulks announced Monday.

The entire fourth floor of the Ikirt building was leased Friday by the local post of the American Legion and will be fitted into modern club and social rooms. The rooms will be given a coat of kalsomine, the floors painted and furniture and fixtures in-

stalled in readiness for occupancy Wednesday.

The first regular meeting of the organization in the new rooms will be held next Friday night. Instructions will be given the post representatives to the state meet at Columbus October 3-9 Friday night. Plans for swelling the membership of the post will also be considered at that time.

The offices of the post war risk insurance representative and the employment officer will be established in the new club hall.

ARMY OFFICERS GIVEN IMMUNITY BY MARCH

WASHINGTON, Sept. 29.—At the opening hearing before the House Committee on Military Affairs on the army reorganization bill, Chairman Kahn secured from the Chief of Staff, General March, the assurance that army officers would be permitted to give the fullest expression to their views on this great question when appearing before the committee and that nothing in the nature of punishment through assignment to disagreeable posts of duty would be meted out to those officers who might take positions in opposition to the plan of the Administration. It is believed that this assurance will make possible some extremely interesting hearings.

WAS EASY TO SEE GREAT CHANGE IN WHEELING LADY

She Now Sleeps Well; Has Good Appetite; Nervousness Relieved and Dizzy Spells Overcome.

Gives All Credit to the New Root and Herb Remedy, Drecto.

"Since taking the new remedy, Drecto, I'm feeling a lot better, and have so much more strength and energy," says Mrs. M. A. Patton, of 21, 20th street, Wheeling, W. Va. "My sleep used to be fitful and did not refresh me at all, but now I'm glad for bed time to come. I also have a splendid appetite, my nerves are quieted, and since my liver was worked off, I never have a dizzy spell. In fact, Drecto has made me feel so much better that it's easy to see the change in me."

Most every day some well known citizen come in and speak highly of Drecto, for the good done them, or some of their family. Drecto, being made from juices of herbal plants, combines with the juices of the stomach very readily, therefore, results are usually prompt.

After taking Drecto it is noticed that the bowel action become regular; the appetite increases; sleep becomes sound and refreshing; nerves get steady; that tired, sluggish feeling passes off and dizziness disappears. The sore painful rheumatic joints become supple, and the backache disappears.

Drecto does not contain any iron, mercury, potash or harmful minerals nor any oil or acid, but is a vegetable remedy, pure and simple.

All good druggists now sell Drecto, and it is highly recommended in East Liverpool by Flick's Drug Store, Fifth and Market streets.

Have a complexion that everyone admires

Don't envy a good complexion, have one. Each time you cleanse your face with Resinol Soap you give it a "beauty treatment" with the soothing, healing Resinol medication. If aided, in severe cases, by a little Resinol Ointment, this usually leaves the complexion naturally clear, fresh and free from pimples, redness, roughness and blotches.

Resinol Soap

and Resinol Ointment are sold by all druggists. Try them and see how, heretofore, they are, not only for the skin but for the hair as well.
